MONTREAL LIVE STOCK.

MONTREAL, July 30.—At the C. P. R. live stock market, receipts of live stock for the week ended July 26 were 1500 cattle, 1555 sheep and lambs, 895 hogs and 1000 calves. The supplies for sale today amounted to 950 cattle, 1000 sheep and lambs, 1000 hogs and 800 calves.

Owing to the continued hot weather and the fact that this was partly a holiday among the butchers, on account of their annual picnic, trade in cattle was slow and steady. Choice steers were scarce. Good steers sold at $6.25 to $6.50, and lower grades from that down to $4.50 per 100 pounds, while butchers' cows brought from $3 to $4.50, and bulls from $3 to $4 per 100 pounds.

Demand for small meats continued good, lambs bringing $7.25 to $7.50 per 100 pounds. Calves were in good demand, prices ranging from $8 to $8 each, as to size and quality. There was an easier feeling in the market for rough hogs, and prices ruled lower, but, as supplies of selected lots were limited, values were maintained. There was a demand from packers, and sales of the latter were made at $10.75 to $11, and the former at $10 to $10.50 per 100 pounds, weighed off cars.

HAS SECURED DIVORCE HIMSELF

Man Who Wrote Book on Divorce Question is Released by Law.

LONDON, July 1.—The third of the series of divorces in the matrimonial tangle resulting from the relations of Hugo Ames, author, and Mrs. Flora N. Wilson, authoress, lecturer and playwright, and daughter of the late Col. Hayter, C.B., was reached yesterday when a decree nisi was granted to Charles R. Wilson.

According to the evidence introduced in the suit, which was undefended, the Wilsons lived together for eleven years, and had one child. Mrs. Wilson left her husband in 1908 and in 1910 she filed a petition for divorce on the grounds of desertion and misconduct, which was dismissed.

Ames had gone to America, obtained a divorce from his wife in Idaho and married Mrs. Wilson, who won a decree in Los Angeles. Mrs. Ames brought suit for divorce in the court here, and she won a decree nisi in February, 1912. She told on the stand that her husband had married Mrs. Wilson, and asked for his arrest on a charge of bigamy on the ground that the divorce obtained by him in the United States was not valid in England.

Ames and Mrs. Wilson were tried in the King's Bench Division of the High Court, and each sentenced to imprisonment for six months in April, 1912, on the bigamy charge, Mr. Justice Coleridge remarking that the decree of divorce obtained by them in America were not worth the paper on which they were written.

Ames and the woman he regards as his wife are writers on sociological questions. Flora Northeck Wilson is the author of "The Book of Divorce; Its Use and Abuse," and this is dedicated to Ames. Ames' works include "The Position of Woman" and "The Problem of Sex."

STRIKE MAY BE OUTCOME

I. C. R. Employes Have Voted 85 Per Cent. That Way.

[Canadian Press Despatch]

MONCTON, N.B., July 31.—Grand President Mosher, of the Railway Employees Brotherhood, who is here to-day, said he had received no word from Premier Borden, Hon. Frank Cochrane, the Hon. W. T. Crothers or General Manager Gutelius, since he issued his ultimatum regarding Intercolonial Railway matters, and if none came in a reasonable length of time there would be a strike, as 85 per cent. of the men had voted that way.

In regard to the statement of Mr Gutelius that salary increases from $2.50 to $15 a month had been agreed upon with the committee, Mr. Mosher said: "If I were again a manager getting $25,000 running a government railway, which made a surplus last year of $800,000, I would be ashamed to say in the public press that I offered $2.50 increase a month to men getting a salary of say $35 to $80.

Trainmen are holding meetings here on Sunday next when a strike vote will be taken.

Another Blaze By the Suffras'

NEW YORK, July 31.—A London cable this afternoon says:

Suffragettes were suspected today when the luncheon tent adjoining the grandstand at the Goodwood race track was burned. The Goodwood races, now on, are the last of the season's fashionable turf events, and King George and Queen Mary have been attending.

The tent and all its contents were burned in a rather mysterious manner to-day, and the Scotland Yard detectives guarding the place blamed the militants for the blaze.

Bowling

Seven rinks of Heather bowlers went down to Hamilton last evening to battle against the Fernleigh bowlers of that city. The latter are good hosts but can also bowl and the Heathers were beaten by 34 shots on the round. It was one of the best outings that the Heathers have had and a visit to one of the other Hamilton clubs will no doubt be made in the course of a week or so. The scores:

Four rinks from Galt will bowl at the Dufferin Club this evening.

The Tungsten lighting system which was only partially installed at the Dufferin club is now in course of completion. When the system is completed the club will have one of the best lighted greens in the city.

Six rinks from the Pastime Club will go to Hamilton on Saturday afternoon to bowl with the Victorias.

Will Investigate Case.

TORONTO, July 31 — The City medical Health Department will hold an investigation to determine the circumstances attending the refusal of Dr. Haywood, surgeon-in-charge of the Toronto General Hospital to admit a Jewish patient suffering from measels late last night. The man was admitted on order of Dr. Hastings, medical health officer, after he had been refused admittance a couple of times and after the police had interested themselves in the case. Dr. Haywood contended that he was justified in refusing to take an infectious case, and the incident is said to urge the necessity of an isolation hospital especially for measle patients.

You Ought to Save One-Sixth of Your Income!

One-sixth of one's income should be saved and profitably invested as a provision against life's "rainy days." Experts say that a man should save each year at least as much as he pays out for rent. To put the whole sixth into life assurance would be sensible. Certainly one-half of the sixth should go into life assurance.

Suppose then we say a twelfth and that your income is $100 per month; that will mean $100 a year to devote to life assurance.

ABOUT $100 A YEAR WILL PROVIDE FOR A MAN OF 30.

$4,000.00	$2,500.00	$3,000.00
Payable at death: Premiums payable for life; exact annual premium. $97.00	Payable at death: Premiums payable for only 10 years; premium for each of those years $98.90	Payable at death: Premiums payable for only 20 years; premium for each of those years $99.75

In addition to the above guaranteed amounts payable at death, the assured would receive substantial payments out of surplus earnings at regular intervals during his life time.

There is no other method of providing an adequate legacy for one's dependents quite so sure as Life Assurance.

Rates for other ages and other information will be gladly furnished without placing you under any obligation whatever.
