Paris, Jan. 21.—The seizure yesterday throughout France of all copies of The Petit Parisen and The Journal by sea, a there was in that abuse of the red by sea, a series of the sea of the nal by order of the censors' bureau, has raised a storm of protest in the

The note issued by the Montene sul basing his acceptance of the news end of the ports. He said that if Montenegro capitulated it was because the army

had exhausted its stock of ammuni- be no prob tion, and because even flight had be- against the

Ottawa, Jan. 21.—Through the Prime Minister, Sir Robert Borden, Canada yesterday offered a completely equipped Fourth Canadian division for the front. The War Office has accepted the offer, and the division will shortly take its place in the fighting line in France along with the three Canadian divisions now there. The Third Canadian Division, which was offered last November, and is now completely organized and in the fring line under Major-General Mercer, is thus speedily followed by a fourth diment purpose.

western front in the spring campaign. ada up to w Much Sickness Ca by the Sulphur

Brantford medical men already re-port much sickness in connection with the return of the sulphuretted gas oning the

The worst sufferers are infants and patch from

The worst sufferers are infants and elderly people not able to get out it the house much this weather, but gen erally speaking all people forced to be around gas stoves and so on, complain of sore throats, and eyes, and nausea.

Dr. Pearson, Medical Health Officer, when spoken to by The Courier, said that he had received dozens of complaints and it was too bad that the strenuous work which had been sucessfuly done in abating the nuisance, should be suddenly thrown down.

He stated that he intended to see the City Solicitors during the course of the day in order to ascertain what could be done.

Meanwhite Meanwhile they are having the sion to

By Special Wire to the Courier. entire press. The Parisien belongs to Senator Jean Dupuy, and the Journal to Senator Charles Humbert. They have a circulation of over bert. They have a circulation of over a million copies each, and both are announcement announcem ions which have always complied with the requests of the censorship. The reason for the seizure, the cournal says, was the publication of the cournal says, was the publication of the cournal says, was the publication of the course weekerday by the course were reasonable to the course of the cour

Journal says, was the publication of the note given out yesterday by the consul of Montenegro in Paris. Its publication at first was authorized, but later was ordered stopped, and as meantime the editions of these newspapers for the provinces, had been printed and sent out, the censorship, without notifying the editors or publishers, telegraphed to every town in France ordering the police to seize all copies of the two newspapers containing the note. A few hours later authority was again given for the publication of this note with a few alight alterations but the police to he publication of this note with a few alight alterations but the public do it, and wo tory is won."

The note issued by the Montenegrin consul in Paris was cabled by the Associated Press correspondent on January 18, and received here on the following day. It constitutes an apology for the King of Montenegro and his government in agreeing to surrender to Austria-Hungary, the commonths from surl basing his acceptance of the news

thus speedily followed by a fourth di-vision, which will bring the total of departure the Canadian troops at the front up from Canad to a little over eighty thousand. It is room in the certain that as soon as the need arises ing depots Canada will add at least another two At the pre divisions, and have an army of more will take than 100,000 men ready to join in the up the gaps allies' offensive movement on the the total t
