Capt. (Rev.) W. F. Parker well known in this town as one of Acadia's brilliant graduates, has been wounded in France. It is stated his injuries are not serious.

Under the leadership of Principal W. L. Archibald with Mr. J. R. McLean as instructor Acadia's business Academy has been flourishing the past two years the number in attendance has nearly doubled each year and attendance of about 65 last year shows how great a work this institution is doing in educating our young people in the necessary business methods for a success in life. Mr. McLean on account of his age falls in the class whose exemption from military duty is cancelled and he has been called to the colors but an appeal has been lodged that his work is necessary as a trainer of many to take the places of those who have enlisted.

Well Satisfied With Baby's Own Tablets

Once a mother has used Baby's Own Tablets for her little ones she will use nothing else. Experience teaches her that the Tablets are the very best medicine she can give her baby. They are a gentle laxative; mild but thorough in action and never fail to banish constipation, colic, colds or any other of the many minor ailments of childhood. Concerning them Mrs. J. Bte. Charest, St. Leon, Que., writes:—"My baby cried continually and nothing seemed to help her till I began using Baby's Own Tablets. These Tablets soon set her right and now I would not be without them." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville Ont.

Acadia's Fifth Campaign for Endowment Most Successful.

About Eighty Thousand Dollars Raised.

About two months ago in April the Governors of Acadia University, decided to inaugurate a campaign to raise one hundred thousand dollars for an endowment, the interest of same to be used entirely towards increasing the salary of the professor. There is no doubt that Acadia's teaching staff is underpaid when the ability of the members of the staff is considered, and the fact that other institutions would like their services at higher salaries.

This was the fifth forward movements attempted at Acadia towards endowment and it found the friends of the college just as ready to respond as heretofore. At the closing at the end of May, less than two months after the campaign was started. President Cutten was able to announce that about \$80,000 of the amount required had been pledged. This was made up of two sums of \$30,000 and \$33,000 from donors whose names are withheld for the present, and a few smaller amounts. As yet the general public of supporters of Acadia have had no opportunity to contribute. The full endowment well soon be raised and in consequence a few hundred dollars will be added to the salaries of Acadia's efficient professors.

Another endowment Campaign has been proposed to the Governors, that of raising funds for the collegiate and Business Academy. This is now a most important institution and increasing in efficiency, usefulness and numbers every year.

Curing Skin Troubles

These Are Always Due to Bad Blood Which Must be Enriched and Purified

So many people, both men and women, suffer from skin troubles such as eczema, blotches, pimples and irritations that a word of advice is necessary. It is a great mistake for those suffering from troubles of this kind to smear themselves with greasy ointments. Often they could not do anything worse, for the grease clogs the pores of the troubled skin and the condition becomes actually worse.

When there are pimples or eruptions, or an irritating or itching rash a soothing boracic solution may help to allay the irritation, but of course that does not cure the trouble. Skin complaints come from an impure condition of the blood and will continue until the blood is thoroughly purified. It is well known that Dr. Williams' Pink Pills have effected the best results in many forms of skin disorders and blemishes. This is due to the fact that these pills make new, rich blood, and this new blood attacks the impurities that give rise to skin troubles and disperses them. Dr. Williams' Pink Pills cure skin disorders from within the system—the only sure way. Mrs. W. Richie Park, Sask., says:—"Two years ago I was attacked with eczema on my hands. I tried almost everything that was advised, but as the trouble was growing worse I consulted a doctor and took his treatment for sometime with no better results. By this time my hands were a mass of sores and I began to despair of finding a cure. A friend strongly advised me to try Dr. Williams' Pink Pills, and I decided to do so. After using two boxes I could see an improvement and I got a further supply. I used altogether eight boxes by which time every trace of the eczema had disappeared and there has been not a single symptom of the trouble since that time. I gladly recommend Dr. Williams' Pink Pills for troubles of this kind."

It should be added that Dr. Williams' Pink Pills have a beneficial effect upon the general health. They increase the appetite and energy and cure all diseases that arise from impure blood. You can get these pills through any medicine dealer or by mail at 50c a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Procedure of Registration

On June 22nd every person residing in Canada, male or female, British or alien, of sixteen years or over, must attend one of the registration booths located in his or her district, and there observe the procedure explained below.

Where to Register

Every person required to register has the privilege of registering at any of the public places provided for that purpose. The location of all such places will be specified in proclamations posted conspicuously.

The card shown in the illustration is a facsimile of the registration card for females. An advertisement showing the card for males appears in another paper.

Study the questions carefully so that you will be able to answer them promptly when registering. If you have any special qualification, or feel that your services would be more beneficial to the country in some other line of work, say so.

While all are compelled to register on Registration Day, it is not contemplated by the Government to force the sick, feeble and aged to turn out. If such persons will notify the Registrar prior to June 22nd of their inability to attend at a place of registration, an effort will be made to register them at home, provided the request is reasonable and justified.

Remember the Day—June 22nd—Remember the Hours—7 a.m. to 10 p.m. Register early and get your Certificate for your own protection.
