

Does Your Heart Beat

Yes. 100,000 times each day. Does it send out good blood or bad blood? You know, for good blood is good health; bad blood, bad health. And you know precisely what to take for bad blood—Ayer's Sarsaparilla. Doctors have endorsed it for 60 years.

One frequent cause of bad blood is a sluggish liver. This produces constipation. Purgative substances are then absorbed into the blood. Keep the bowels open with Ayer's Pills.

Is one of the best friends any family
has, but there are often sudden and
acute attacks of some painful disease
that require immediate

treatment, such
for instance, as rheumatism,
neuralgia, lame back, etc.

Tuck's Rheumatic Bone
Oil makes the calling of the doctor
unnecessary. It will give relief before
he could answer the call, and if faith-
fully used will cure the most stubborn
attacks of rheumatism, neuralgia,
lumbago, pain in chest or back, soreness
sprains or strains. It is powerful
penetrating oil that goes straight to the
seat of the trouble and roots out the
cause. It relaxes the stiffened joints,
soothes the affected part and allays the
inflammation which produces the
torturing pain. It is therefore a
valuable remedy not only for rheuma-
tism and kindred diseases but is equally
good for croup, bronchitis and quinsy.
One father writes that it cured his
child of a violent attack of croup in
five minutes. A mother writes that
her boy was subject to quinsy and two
or three times each year was confined
to his bed and could not speak. When
threatened with an attack this fall she
rubbed his throat with the Bone
Oil and by three applications warded
off the attack. The wonderful curative
powers of this remarkable remedy are
talked about by everyone. A bottle
should be on the shelf in every home.

For sale by all medicine dealers at 50c.
a bottle or sent prepaid by The Tuck
Bone Oil Co. Limited, Smith's Falls,
Ont.

Men's Suits from \$8 to \$14

We call "United" brand, because a number of S.-R.
agents have "united" (joined together) and are buying
cloths direct from the old country mills, thereby saving
from 25 to 50 per cent on the cloth. They then get
Semi-Ready Co. to make up these cloths into suits.
The finished article is a "United" Suit—prices from
\$8.00 to \$14.00.

And, sir, if you purchase one of our "United suits,
you are wearing clothes that cost you from \$3.00 to
\$5.00 less than you would have paid for them any
where else.

We don't ask you to believe this
but we ask you to find out for yourself whether it is
true or not. If it is not true, **we are liars,**
and you may call us such, if you find us to be such.

Every one of our United suits are made from old
country Bannockburn tweeds (twisted wool), and not
an inch of shoddy or cotton in a mile of the cloth.

We want to convince you

Are you ready? Are you?

United suits for men from \$8.00 to \$14.00.
Semi-Ready suits \$15.00 to \$30.00.
Youths and boys (United) \$2.50 to \$15.00

*We pay one way to Brockville
if \$10.00 of goods are bought.*

St. Regis Lumbago Cure
AN
INDIAN REMEDY.

Guaranteed to Cure Lame Back or money refunded!

An excellent remedy for Rheuma-
tism, Lame Back, Etc., Etc.

Read the following testimonial from
a man you all know:

Mr. W. A. Singleton, Forfar, Feb. 6, 1906

Dear Sir,—Being laid up with lame back, I thought I would drop you a line to tell you that your St. Regis Lumbago cure will do all you claim for it, as I have only used part of the bottle and I feel no returning symptoms of the disease.

I may say I have been troubled with lame back for the last ten years, and tried several other patent medicines but without results. I can heartily recommend it to any troubled with lame back, and I feel safe in saying that it's the cheapest medicine on the market.
