A WEEK IN JAIL.

Miss Nora McCrea, the Merrickville school teacher who was on trial last week for assault occasioning grievous bodily harm to Helen McCoubrie, a pupil at Soper's school in which Miss McCrea was the teacher, was found guilty by his honor Judge McDonald and sentenced to one week in the common jail. When she heard the sentence Miss McCrea collapsed, but later she recovered after her relatives had left her.

Miss McCrea was the only witness put in by the defence. She admitted punishing the child under provocation and while some blows had landed on her head it was not her intention of doing that. She was striking the child on the back and the pointer landed on her head while she was twisting about.

In passing the sentence His Honor remarked on the offence, intimating that the accused could be sent to the penitentiary for two years.—Recorder

A Social Evening

The regular meeting of the A. Y. P. A. on Monday evening proved to be a delightful social function. By special invitations the teachers in training at the Model school, with Principal Hitsman and his staff of teachers, were present.

The President of the Association, Miss Jennie Doolan, and Rev. B. B. Patterson welcomed the guests, after which the following highly entertaining programme was rendered:—

Violin Solo—Fred Hollingsworth. Recitation—Miss Ruby Webster. Vocal Solo—Mrs S. C. A. Lamb. Violin Solo—Wesley Morris. Cornet Duet—The Misses Gainford. Duet (Violin and Clarinet)—Messrs Hollingsworth and Morris.

The accompanists of the evening were Mrs Parish and Miss Edna Ackland.

Refreshments were then served, and a very social hour was spent.

This was the last meeting of the A. Y. P. A. to be held this year.

HOCKEY CLUB REORGANIZED

A well attended meeting of those interested in hockey was held Tuesday night, to consider and wind up the business of the Athens Hockey Club of last year.

A report of the receipts and expenditures in detail, was submitted by Mr. E. C. Tribute which showed:

Total receipts.....\$275.95
Total expenditures.....\$266.85

ASSETS

Cash in bank.....\$ 9.10
Guarantee paid to League.....10.00
Team supplies on hand.....66.00

Moved by Wm. McLean, seconded by B. Willson that this report be accepted—Carried.

Moved by A. Parish, seconded by G. Rappel, that as this is a general meeting of those interested in hockey in the village of Athens, we proceed with the organization of a Hockey Club for the season of 1911-1912—Carried.

Officers Elect—
Hon. Pres.—A. E. Donovan
President—E. C. Tribute
Vice Pres.—S. C. A. Lamb
Sec. Treas.—L. Glenn Earl.
Manager—A. G. Parish

Executive—S. A. Hitsman
H. Jacob
E. Smith

A captain is to be appointed after the team has had a few practices.

Messrs E. C. Tribute and A. G. Parish were appointed as delegates to attend the first meeting of the League.

It is gratifying to the officers of the Club to note the interest that was taken in the organization, and the general opinion expressed was that the cup which the club so deservedly won last season would remain in the hands of the Athenians for another season. This would give the Club ownership of the cup.

It is hoped that those interested in promoting hockey, their supporters and the citizens of the town will work together for the welfare of the team, and that no one will allow petty grievances and individuality to weaken the strength of the Club in its effort to hold the Penwarden cup and capture the Taylor trophy. We solicit your good will and assistance.

AT THE AGE OF 81

The Reporter is in receipt of a letter from Mr. Thomas Pounder of East Boston, and for the information of his many friends in this district we take the liberty of reproducing the following extracts from it:—

"I have enjoyed my vacation of 8 weeks in New York. My friends there are numerous. You would be surprised how I hold the good will and sympathy of the people, but you have witnessed a portion of that at my great doings at Lyndhurst fair grounds. While in New York I celebrated my 81st birthday on the 22nd of September, at the residence of Rev. W. Owens. We had also present Rev. E. Olsen from South America, and other friends. Mr. and Mrs. Owens were very anxious that the doings should be of the highest order; consequently, the party was delightful in all its parts. Refreshments appetizing and vocal and instrumental music by distinguished musicians. It was another victory put in force by loving and sympathizing friends in honor of 'aged Uncle Tom'.

"I cannot use my limbs much in walking, but I am improving slowly. I came home to attend the double mortgage burning on the Saratoga St. M.E. church. I bless God that He has given me the ways and means so that I can financially aid in such a noble, glorious cause.

"I am glad to say to you that my Canadian friends have not forgotten me, for during my birthday month I was constantly receiving love greetings from various parts of Canada, for which I feel I ought to return thanks. Communications were received from friends in Athens, Caintown, Lillies, Junetown, Lyndhurst, Soperton, Harlem, etc."

The Reporter has pleasure in congratulating Mr. Pounder on the large measure of health he still enjoys.

The metal roofed, metal weather boarded wood house, summer kitchen and repair room in the loft add greatly to the beauty of Mr. George Tackaberry's convenient, pleasant brick residence in Plum Hollow. Four men are now working on a sugar house that will replace the one destroyed by fire last season.
