Rev. J. D. Freeman, of Fredericton, who preached in the Baptist church last Sunday evening, has been holding a series of meetings under the auspices of the College Y. M. C. A. this week, with good results.

On Tuesday evening of next week there is to be a match game of hockey at Aberdeen rink between Acadia and St. Francis Xavier team. The game will no doubt be an interesting one and all who can should witness it.

The second recital of the Seminary course which is to be a "voice recital" takes place in College Hall on Friday evening of next week. Miss Lita Adelaide Gillmore will assist, and the recital will no doubt be a most enjoyable one.

The following are the chairmen of the various standing committees of the town for the current year:

Streets—Couns. Franklin Water—Couns. Harvey License and Police—Coun. Chipman Public Accountant, &c.—Coun. Oakes Board of Fire Escapes—Coun. Chipman

Arrangements are being completed for the patriotic concert to be held in College Hall. It will likely take place on the evening of March 9th, and will be a grand affair. Everyone should plan to go and do all in their power to make the affair a success.

PICTURES.—If you have any pictures to frame it would pay you to get our prices.

Quite an interesting game of hockey was played in the rink on Tuesday evening between the Wolfville and College teams, resulting in a score of 4-3 in favor of the former. Owing to the bad state of the weather the attendance was not large, but those who were present appeared to enjoy the game.

The Presbyterian pulpits at Wolfville and Grand Pre were occupied last Sunday by Mr D. C. Ross of the graduating class at Pine Hill College, Halifax. Mr Ross is a clever young man and a good speaker, and his sermons were much enjoyed. Rev. Mr Dill will preach next and following Sundays.

That lot of Bargain Note Paper and Envelopes is going fast.

The intercollegiate debate between Acadia and Dalhousie is to take place here on Friday evening, March 16th. The subject will be Imperial Federation. The Acadia speakers will probably be Messrs. McNeill, Poole and Stubbart. No doubt the debate will occasion a large amount of interest and will be largely attended.

Mrs DeWitt and Mr and Mrs J. Elliott Smith visited the Horton poor's-house on Saturday last and made a pleasant afternoon for the inmates. Mr Smith took his graphophone along and gave a much appreciated entertainment, while a beautiful distribution of confectionery, etc., added not a little to the pleasure of the occasion. Such thoughtful acts are highly commendable.

Fraternal Visit.

On Thursday evening of last week a number of the members of Wolfville Division paid a fraternal visit to Canning Division. The evening was a mild and pleasant one and the roads good. Teams from Balscom's livery stables conveyed the visitors to and from their destination without mishap. On arriving at Canning they were given a royal welcome by the members of the order at that place, every preparation having been made for their comfort and enjoyment. An excellent programme furnished jointly by the members of both societies was well given and heartily enjoyed. This included music, readings, dialogues, &c., being pretty evenly divided in sentiment between temperance and patriotic. Elaborate refreshments were served, adding not a little to the pleasure of the occasion. All too quickly the evening passed and at a late hour the meeting broke up with the singing of the national anthem, and the visitors began the homeward journey highly pleased with Canning Division and the manner in which they had been treated. The Division at Canning appears to be a strong one and in common with similar organizations all over the county is doing a good work which is not as fully appreciated as it should be.

Lakeville.

The ladies of the W. M. A. Society of Lakeville held a very interesting public meeting last Sunday evening in Dunsmuir's Hall, in the interest of the mission in the North West. Mrs David Freeman ably presented the claims of the mission. Mrs M. P. Freeman gave a paper. Others gave readings and recitations. Music by the choir, under the direction of Mrs Dr. Lee Rockwell added much to the enjoyment of the service. Mr Freeman attended yesterday the ordination services of Mr H. H. Bosc at Annapolis.

Mr Scott Lamont has returned after a short visit to Boston. He enjoyed the trip exceedingly.

AWARD V. PINO, Barrister, Wolfville.

Mr J. M. A. Halliday, who formerly resided in Wolfville and published a newspaper called the Star, is now publisher of the Express Herald at Cliftondale, Mass. It is a well-conducted and interesting paper and evidently fully appreciated by its readers. By the last issue we notice that on last Monday week while Mr and Mrs Halliday were celebrating the 40th anniversary of their marriage, the floor ball rang and ten leading citizens were admitted, who presented Mr Halliday with an address complimenting him on the faithful, loyal and honest manner in which his paper had been conducted—accompanied with a handsome American flag. Mrs Halliday also received many handsome and useful presents. We congratulate the friends of the paper on the happy occasion, and wish him long years of continued success. May his flag ever wave.
