HEART SO BAD WAS NOT SAFE TO LEAVE HER ALONE

Miss Eva P. Vetter, Krugersdorf, Ont., writes: "I feel that I must write and tell you of the benefit I have received from Milburn's Heart and Nerve Pills. About four years ago I was taken terribly bad, with my heart, nerves and brain in a state of collapse. I was down in bed for about six months. I consulted with two different doctors and seemed to get better, although the doctors said I would not leave me. I would take such terrible pills, however, that I was not able to leave the house at any time. As last I decided to resort to proprietary medicine and took several different kinds, but seemed to receive but little benefit from them. One day, noticing the advertisement of Milburn's Heart and Nerve Pills, I decided to try them and before I had taken more than two boxes I could see they were helping me. I have taken about ten boxes, and almost cured of those terrible spells. I sincerely feel that your medicine has proved a blessing to me, and I advise anyone troubled with their heart to try them, as I am confident they will find relief."
