AN APPEAL DISMISSED.

Readwin vs. Quinn was an action in which George K. Readwin, of Suffolk street, grocer, was plaintiff, and Mr. Christopher Quinn, of this city, was defendant. It was brought in the county court of the county of Wellington, the plaintiff claiming the sum of \$138 as the balance of a store account due to him. The defendant admitted owing the plaintiff \$15.65. The case was tried before Judge Chadwick, in December last, and his Honor, gave judgment for \$15.65, and ordered the plaintiff to pay the costs of the action From this judgment, the plaintiff appealed to the divisional court, at Toronto. The case was argued at Osgood Hall, yesterday, before Chief Justice Meredith and Judges Rose and McMahon, with the result that the judgment of His Honor, Judge Chadwick, was upheld, and the appeal dismissed, and plaintiff ordered to pay costs. Mr. James E. Day was solicitor for the plaintiff, and Messrs. Guthrie, Watt and Guthrie for the defendant.

My infant boy was afflicted with a terrible thin disease. The upper part of his body was one mass of bleeding sores which extended to his heed, and one of his ears was so affected that we thought in would drop off. His sufferings were beyond description, and he had to be kept constantly under the infuence of opiates. Our physician did everything for his relief; but instead of the child setting better, the disease seemed to become more aggravated every day, until I became uiterly discouraged. I could find nothing that would even relieve my child till one day my attention was called to a CUTICUTA SOAR, and CUTICUTA RESOLVENT. The result was aimply marvellous. After the third day the opiates were discontinued, after the third day the opiates were discontinued, the child was from day to day improvement progressed, and in seven weeks from the day we storyed or the CUTICUTA.
