

DARTMOUTH MAN GAINS 15 POUNDS

Five Years Trouble Ended And He
Works Every Day Since Tak-
ing Tanlac.

"I have gained fifteen pounds in weight since I began taking Tanlac, and if I had known about this medicine three years ago I would have saved many a dollar, to say nothing of the suffering I went through," said Joseph E. Clattenburg, Brenton street, Dartmouth, Canada, recently Continuing, Mr. Clattenburg said: "My trouble started five years ago with occasional attacks of indigestion, which kept getting worse until I could hardly eat anything at all. For the past three years now I had no appetite and the little I did manage to eat would bloat me up and keep me feeling miserable for hours. I had sharp, cramping pains all through my stomach, which would nearly draw me double and I was constipated all the time, my liver was sluggish and I had no energy. My tongue was badly coated and my skin had a yellow, sallow appearance. I could get but little sleep and always felt so bad in the mornings it was all I could do to get up. I was so badly run down that some days I just had to quit work and go home, and I have often had to lay off from work seven or eight days at a time. Added to my other troubles, I had an attack of jaundice and was unable to work for two weeks. I lost considerable weight and my strength was just about all gone.

"I tried many different treatments and medicines without being benefited, but when I heard so many people praising Tanlac I decided to try it. At the time I started taking it I had been off from work for over a week, but before I had finished the first bottle I was back on the job and haven't lost a day since. I have taken six bottles in all and my appetite has improved until I eat as much as one meal now as I did all day before and am never troubled with pains, gas sour or upset stomach, or any other bad feeling. I am not constipated and my liver is in fine shape again. My tongue is never coated and my skin has cleared up to a good healthy color. I sleep well at night tired, sluggish feeling is all gone. In fact, I haven't felt better in years than I do now, but I don't believe I would be able to work today if it hadn't been for Tanlac and it is a pleasure for me to make this statement."

Tanlac is sold in Hartland by Estey & Curtis Co., and by the leading druggist in every town.

70 YEARS

Seventy years ago when our grand-
parents were young, they treated
their colds and coughs, etc. with
what was considered the reliable
cough medicine—

SHARP'S BALSAM

of Horchound and Anise Seed

Since then it has been the family remedy
for coughs, colds, croup, sore throat, asthma,
etc. It was good for your grandparents and their
children—it will do you and your children
good.

IN MARCH 1883

Mr. M. Smith of Stedholm, N.B., writes—
"For sixteen years I suffered from
Asthma, often being obliged to sit
in bed to prevent suffocating. I tried
all the usual medicines, but without
effect, until I obtained some Sharp's
Balsam (which was recommended
to me), and after using two bottles
I found the relief long sought."

When you need a cough medicine and for
this famous old remedy, call at drug and
general stores everywhere—

We have so far escaped from the
flu but there are a few cases of mumps
in the vicinity.

trip to Woodstock this week.

Jas. Crandall has removed back
to his home after spending the winter
in the camp for Smith & Tompkins.

joyable evening coasting on Fewer's

Kidney Disease Overcome

Mr. James Prouse, cattle dealer,
Sheho, Sask., writes:—"For
about ten years I suffered from
Kidney disease, at times I was
bad with backache, and derange-
ments of the digestive organs.
During that time I was treated
by four different doctors. One
day I read in Dr. Chase's Al-
manac about the Kidney-Liver
Pills and began to use them. Al-
together I used six boxes. All I
need say is that I feel well now
and attribute this condition to the
use of Dr. Chase's Kidney-Liver
Pills.

-In Memoriam

In loving memory of Anna
Belle, youngest daughter of Mr.
and Mrs. H. N. Orser, who died
Jan. 23, 1919, in the 4th year of
her age.

Dearest Anna, thou hast left us
And thy loss we deeply feel,
But 'tis God who has bereft us
He can all our sorrow heal.

MOTHER

No Chance for the Germs.

Disease germs cannot live in
rich, red blood. It is people in
low vitality that fall victims to
germ diseases. By using Dr.
Chase's Nerve Food you enrich
the blood, increase vitality and
prevent disease germs from find-
ing lodgment in your body.
There's wisdom in prevention.
It's easier to keep well than to
get well.

At the Church of England service
on Sunday the marriage
banns of James Pratt, son of
Robert W. Pratt, of Rockland
Road, and Miss Grace Edith
Neales, third daughter of G. F.
Neales, of Somerville, were pub-
lished. It is announced that the
marriage service will take place

Ralph Turner, formerly of Wil-
mot, and for two years or more
an employee of The Observer, was
visiting friends here last
week. He left here about eight
years ago and went to Lawrence,
Mass., where he remained until
the outbreak of the war, when
with his twin brother, Ray, he en-
listed with the Canadian forces.
Ray was killed but Ralph fought
on and returned from Europe last
summer. He is now off for the

Express business, left for Mon-

standing he will undergo surgical

Hospital.

The Church of England build-
ing will be used for service on
Easter Sunday. There will be
celebration of the Holy Com-
munion at 8 a. m., service at 11
with Holy Communion at the
close; Sunday School at 2:30 and
evensong at 7:30. The Church
people are deserving credit in that
their few members have under-
taken to build a little church so
beautiful and imposing. Much
work remains before the edifice
will be completed, but already
more than \$5,000 has been ex-
pended. A sum of \$1,500 would
complete the building. During
his seven years incumbency, the
rector, Rev. N. Franchette, has
worked for the new church build-
ing with faithful and untiring
zeal. The coming Easter-tide
will be a real event in the an-
nals of the little congregation.
Members of other local religious
bodies are cordially invited to the
first services in the new church.
