All at lowest prices for p J. L. Black. Physicians' orders and prescriptions carefully attended to. A call from persons wishing anything in this line is respectfully solicited. C. A. BOWSER D. C. ALLEN, M. D. Point de Bute, Aug. 19, 1876. Haying Tools. that the Minister of Public Works would so far forget the principles enunciated by him as to give an outside man a high position in the Civil Service, which contains so many men both worthy and deserving of promotion. When the news came, the indignation of Railway men knew no bounds. They justly asserted it remained for the Minister of Marine o grossiv insult the entire Railway fidence in the Board of Governors, yet we would most respectally request them them to keep Acadia College from all con-nection with the Halifax University. \diamond *Resolved*. That we would hereby ex-press our fullest confidence in the fidelity of the President of the-College, as also in. the highly esteemed brethren who, with him, have been appointed by the Govern-iment of Nova Suotia to the Senate of the Halifax University; and while we would not for a moment infringe upon their in-dividual rights, yet we wish them. and all to others connected, to distinctly under-stand that their acceptance of office must not be interpreted to indicate direct or in-direct affliation with the University of Halifax. IS NOW OPENING A GIFT A GIFT FOR every Reader of the CHIONEORO POST. By an Arrangement with the Puplisher, THE HOUSEKEEPER'S COMPAR-tox, a new eight-page illustrated paper, elegantly printed and devoted to house-keeping in all its branches, will be sent 'on trial' for one month Fings to every reader of the CHIONEORO POST. The number before us contains articles on "Game Birds and How to Cook Them," "Color Decoration of Rooms," "Hood for Lean Women," "A Cheap Carpet," "How to Save a Child from Choking," "How to Cook Vegetables," etc., etc., beides many excellent reciptes and a variety of miscella-neous information of great value to every housekeeper. 15 DOZEN RAKES; 5 doz. Scythes; 10 doz. Forks; 1 gross Scythe Stones. New Black Silks, ANOTHER NEW ENTERPRISE.—The International Manufacturing Com-pany of New York City have organized with a capital of \$300,000, and have purchased a tract of 1,000 acres of land on the W. S. of the Maccan River, known as the old Stone Quarry property of Jepita Harrison, and partially developed by Wm. Patrick, of Maccan. The stone is a beautiful olive, of the Dorchester order, but of a lighter but harder substance. Since the Boston fire this class of stone, from its durability against fire, has be-come more popular than ever. The company will be ready for active quarrying arry in the spring.—St. John News. I. L. Black. no bounds. They justly asserted it remained for the Minister of Marine to grossly insult the entire Railway staff by virtually proclaiming that there was not a man in the service worthy of the office. May Mr. Thompson consider himself dismissed from the service because Mr. McAl-lister wanted his office? Or will an office be created for Mr. Thompson?" SABBATH DESECRATION by I. C. R. Authorities is awakeing enquiry by our Religious bodies. It may not be improper to run a train an hour or two on the Sabbath to make a con-nection, or to place passengers ans well as train hands at their desti-nation, but to make a business of running regular passenger and freight trains on that day, shews a I. C. R., at Barnaby River station. There are half a dozen saw mills in NEW MOURNING PRINTS. I. C. R., at Barnaby River station. There are half a dozen saw mills in the place, chief among which is Mr.
J. B. Snowball's, which is a magnific cent building, employing 300 men.
There are two steamers now running between Chatham and other towns on the river. Nelson has three mills, Douglass has three; which make Miramichi an important manufacturing port, second only to St. John for the number of vessels doing business in its harbor. It has also tri-weekly communication with Quebee per steamer in open navigation.
Derby has a large manufactury of Hendock Bark Extract, which pays out a good deal of money.
Beaubois Island is beautifully situated at the confluence of the twi rivers, and might be utilized for milling purposes.
