At 4 p. m., the Institute adjourned to At 4 p. m. the Institute adjourned to Mile examining the working of a mow-while examining the working of the fingers of turn. Will examine the two of the fingers of turn.

ONE WHO WAS PRESENT, Tabusintac, July 21st, 1881. Newcastle.

course of erection there. The day was About noon all that could be desired. people began to assemble from various quarters, and early in the afternoon there were fully three hundred persons on the grounds. The tables containing various articles offered for sale as well as those containing the refreshments were placed outside, and a brisk business was

Ross has challenged Hanlan to row a carried on by the ladies in charge. race in best and best boats for the single scull championship of America, distance four or five miles, with turn, for \$4000, \$2000 a side, the race to be rowed within strumental. Shortly after four o'clock any reasonable time this season on one of five lakes named. The challenge appears an invitation which was very generally in the Boston Herald, to the editor of responded to. Any amount of good which paper Ross enclosed with the things had been provided, and much challenge as an evidence of good faith, a praise is due to the ladies by whom the check for \$200, to be held as a forfeit to excellent repast had been prepared. As ind said match. evening drew on the company dispersed,

In the evening, a public meeting in connection with the Institute was held in the Masonic Hall, and consisted of nearman the Knows and a briefaddress on Education by the inspector. SECOND DAY, EARCH DAY, JULY 8. A 100 a. m., as both President and President and Proceeded to the election of chairman, resulting in the choice of Mr. Firth The minutes of last session were then read and approved. "School Discipline" was next intro-the was expected to do so, kindly favored by the Board to Mr. Lumsden, the Com-Mr. Ross, although not knowing that he was expected to do so, kindly favored by the Board to Mr. Lumsden, the Com-Hanlan has replied, stating that he will having spent one of the most pleasant

Harding, of the City of St. John, have filed in the office of the Provincial Secretary a Memorandum of Association for the incorporation of "The Nigadoo Silver Mining Company." The object of the Company is the working of mines

The Rev. J. H. S. Sweet, the newly in Gloucester Co., with a capital of \$150,appointed Rector, conducted the services in St. Andrew's Church on Sabbath last. shares of five dollars each, the office to in St. Andrew's Church on Saboath last. The sermons on the occasion are very favorably spoken of. We wish the Rev. gentleman a long and useful career in his newly appointed field of labor. Shares oknive donars each, the only of be at Bathurst. A shaft is now being sunk and the product of the mine will soon be put upon the market. Several tests of the material from the mine were
