

## WHEN OTHERS FAIL

Zam-Buk cures the most stubborn skin diseases and sores. This is because Zam-Buk's method of healing is entirely different and superior to that of ordinary ointments. When Zam-Buk is applied it does not remain on the surface skin, as an ordinary ointment would. Because of its unusual refinement it penetrates to the underlying tissue. This is where all skin troubles have their origin. The germicidal properties of Zam-Buk when applied to the skin, and thoroughly absorbed, the diseased parts, having been thus treated, healing comes on continued in Zam-Buk as it stimulates the tissues that new healthy skin is quickly produced. The result is a complete and permanent cure of the sore or injury. Zam-Buk is best for eczema, ring worm, scalp sores, boils, pimples, itching rash, blisters, shingles, sunburn, frostbite, chert's rash, blood poisoning, and piles. As a first aid, too, Zam-Buk is indispensable. It gives a soothing, cooling pain, draws out matter and inflammation, prevents infection and heals quickly. All dealers sell Zam-Buk. ### AWARDED BAR TO THE D. S. O.

In a list of Canadian officers granted bars to the D.S.O., published in London papers is included the late Lt. Col. A. E. McKendrick. The reasons for the grant are thus stated:—  
Lt. Col. A. E. McKendrick, D. S. O., 26th Inf., 1st New Brunswick Bn. For conspicuous skill in handling his battalion during the capture and consolidation of the objective allotted to his command. His coolness and fine example inspired all ranks. The success which crowned the operations of this unit was in a large measure due to leadership and courage of Lt. Col. (D. S. O. gazetted Jan. 1, 1917).
