A Record Kick.

Editor Evening Telegram.

Dear Sir.—Whilst attending the C. C. Sports last Wednesday I much admired the Cricket Ball throw by Mr. M. Finn. I am told he holds this record in Nfld. I wondered also why a football kick was not on the programme. This should prove a popular event. I remember a good many years ago having seen Mr. Martin Whelan, kicking the ball from goal to goal in a match between the Terra Novas and Rangers. I am not quite sure if the names of the teams are correct, but there is no question as to the distance. I wonder how near to this could any of our present footballers go?

Yours truly,
TERRA NOVA.
