**WHAT A. C. HAYES SAYS ABOUT
DR. KINSMAN'S HEART TABLETS & DYSPEPSIA
POWDERS, ETC.**

"I suffered for six or eight years with my heart, and many times it was so I could not lie down at all, and the only way I could get rest was to lie on my head on a table and there remain until day. I could not lie on my left side for three or four years, and when I was able to walk at all, would have to stop many times and hold my hand against my heart, and wait until it would start to beat again, as it seemed to stop, and I felt as if I would suffocate every minute. Since taking your Heart Tablets and Dyspepsia Powders I have never felt any of the symptoms, and can rest as well on my left side as my right. I am sure they saved my life, as I could not have stood it much longer. I thank God that I was able to hear of your Tablets and Powders, and hope that every sufferer will have an opportunity to use them, as they are worth their weight in gold. My friends ask how I cured myself, for I am now a new man."
