Indian Unrest.

A precise view of the relative proportions of the various conflicting influences at work in India is not easy to obtain from reports to hand. The He-P. S. Fidelle, W. Haggie, J. one indisputable fact about the Prince Wales's progress is that it has been personal triumph: the loyal enthusiasm of his welcome has in too many instances been offset by intimidation and hooliganism. Sedition, whether in the guise of civil disobedience or of actual revolt, had made itself so far manifest that papers as unlike as The Times, The Observer, and the Manchester Guardian, are in accord in their approval of the action taken by the Government. Critics, in India or in England, who condemn both the agitators and repressive measures s intersified with the spirit of molence and charity, being ever sained when the Government policy is endorsed in the Legislative Chamber and needy." The officers by fifty-three votes to thirty-three Strong declarations against Gandhiim such as Sir Sankaran Nair's, are welcome evidence that native statesmanship is alive to the dangers to Secretary - Simon J. which the country is exposed. Mr Gandhi's most recent assertion that he contemplates nothing more than swaraj within the Empire must puzzle some of his followers, as much as Mr. Sydney Webb's Fabian warning to Indian goal of responsible self-government by gradual steps, puzzles the Briton at home who know Mr. Syd-Valter Duggan, Jeremiah ney Webb.—United Empire.
