Harbor Grace Notes.

Deep regret is felt for T. G. H.M.C. and Mrs. Ford, in the death of their nine year old son, who was killed in a motor car accident. We understand, the little fellow, apparently, was well enough, and up until Saturday, but he died very suddenly, and passed away Monday morning. This morning, Tuesday, the funeral was held at a very large one. Present the hearse walked the ladies of the C. of E. School, with their usual Mr. A. J. Goodland. The market was covered with floral tributes of sympathy. While the little schoolmates and more especially the home circle. The sorrowful parents, sisters and brother, have deep sympathy of the community. The funeral was held in the Church of the Holy Trinity.

The Young People's Christian Club at the Methodist Church has closed for the summer months, and no meetings will be held until the fall. A special meeting is called for an outing, picnic or hike, during the summer holidays. The Club have had some very enjoyable and enjoyable meetings since the time, and we may add the young people feel indebted to the Union of the Cable Company, who have been so much interested in the efforts, and in every way a help to the Y.P.C.C.

The coronation with the Daylight Service, the clocks in town were put back one hour on Sunday at 10 p.m. John Anderson's time, as it is commonly known, is looked forward to each year, and while there is a change in the date, it is a disadvantage, we believe that the majority will agree that it is most helpful, and profitable, and will certainly serve the purpose of the summer months, as in the past few years.

George Webster, who has been several years accountant with the Ocean Boat & Ship Co., Ltd., has resigned his position there, and will be leaving the end of the past month. We understand it is Mr. Webster's intention to go to Halifax for the near future. He has the best wishes of his many friends here.

Mr. O'Rourke went to the States last week on a two week's holiday. He is expected to return to town during last week.

Mr. A. Anson, who was to Norway on a business trip, returned by steam on Sunday week, and is expected to return to town during last week.

Mr. and Mrs. Harry Verge of St. John's, who were visiting friends at Victoria and Mr. Grace left by yesterday morning's train for the city again.

Mr. John T. McRae who was on a business trip to England, returned by the last trip of the Sackem, and came to town during last week.

Mr. Ed. O'Brien of the Cable Staff, Heart's Content, is at present spending a holiday here with his parents and friends.

Mrs. (Capt.) Wm. Rideout and baby are in town from Port Union on a visit to Mrs. Rideout's parents, Mr. and Mrs. Jas. Power.

Mr. A. A. French, representing Messrs. Soper & Moore, St. John's, was in town today.

Mr. Thos. Thistle went out to the city by this morning's train.

Ladies of Good Taste.

Are now almost entirely using Hudnut's Three Flowers Talcum Powder. It has been said that Hudnut's Talcum is by far the most beautiful perfumed Talcum ever made. When you try it, you will agree with this statement, for everyone who uses Three Flowers Talcum, is delighted with it. Beautiful is the only name for the odor of Three Flowers, and it is delicately incorporated into Hudnut's Talcum. There is a certain fascination about this beautiful Talcum that makes an instant appeal to all ladies. There are hundreds of different kinds of Talcum Powders, but none is better than Hudnut's Three Flowers in the unique metal container, now obtainable at all Drug and Department Stores in the city and Outposts.—may 11, 11

Obituary.

MR. WM. GRIFFIN.

The death of Mr. Wm. Griffin, of the Government Engineer's office removed from our midst one of St. John's most promising young men, and his passing will be regretted by those who knew him. The deceased had been in failing health for some time past, and about three months ago he entered the Sanatorium for treatment, and appeared to show signs of improvement. He eventually grew worse, and despite the attention of the Doctor and Nurses he passed away at 11.30 last night. The late Mr. Griffin was the eldest son of Mr. L. J. Griffin, foreman at Gaden's Aerated Water Works. He was a prominent member of the T.A. & B. Society. For some years he was President of the T. A. Juvenile Society. To those who mourn the Telegram offers its sincere sympathy.

DOROTHY CLARKE.

We regret to record the death of one of the bright girls of Brigus in the person of Dorothy Clarke, who after twenty months of suffering, passed away at the General Hospital Tuesday, April 2nd. Dorothy is the eldest daughter of Caleb and Mrs. Clarke. All the time she suffered her spirit was genial and hopeful, the characteristic expression of her lifelong attitude. Her many friends in the Sunday School were among the mourners at her funeral, as well as a large number of the members of the community. The family wish to heartily thank all the kind relatives and friends who visited her constantly during her long illness and proved themselves as comforters in the hour of sorrow. Special mention must be made of Mrs. (Capt.) W. Bartlett and Misses Emma and Eleanor Bartlett, Mr. Thompson, J.P., and Rev. O. Jackson; also the kindness of Dr. Stanley Martin and Mrs. G. Knowling. The thanks of the parents also go to Rev. T. Watkinson, Mrs. Lewis Bartlett, Miss Gladys Thompson and Miss Flossie Hillier, who visited her constantly in the hospital, and Nurse Smith. The young and old have shown their sympathy and thoughtfulness in many ways. In the hour of sorrow the kindness of Mr. Munday Clarke and Mr. H. French was much appreciated.

"We miss you darling Dorothy, and the loss is hard to bear. Our home is dark without you. We miss you everywhere."
CORRESPONDENT.

PRIVATE ARTHUR PITTMAN.

Another of our brave soldiers who saw active service in the late war, passed to his final rest yesterday at the Sanatorium, where he had been a patient for the past three years. Deceased answered the call of his King and Country in the early part of the war, and embarked for overseas with C. Co. in 1915. He played an active part with "Our" both at Gallipoli and France, and during his time in action he escaped unscathed. The late Pte. Pittman belongs to Pilley's Island, and the remains will be sent home by the S.S. Portia leaving this port to-morrow. The funeral of the late comrade will take place from Oke's Mortuary Rooms to-morrow morning at 2.45 to Bowling's wharf. The casket will be draped with the Union Jack, while wreaths received from the G.W.V.A. and Salvation Army will cover the hearse. All ex-service men who can possibly attend are asked to do so.

Britain to Popularize Small Craft.

LONDON, May 9.—The Air Ministry are trying out a small three and a half horsepower aeroplane at the newly established R.A.F. School of gliding at Upbaven. The tiny engine is capable of lifting 300 pounds and the market price is stated to be approximately \$750. The little machine is called "The Wren" and has attained a speed of 50 miles an hour. The idea is to try and popularize small aircraft of suitable type.

VOROVSKY MURDER STIRS SWITZERLAND.

LAUSANNE, May 11.
The murder of Vorovsky, head of the Soviet Delegation to the Near East Conference, by Maurice Alexander Conrad, a Swiss, who once served in the Russian army, has stirred Switzerland as has no single event since the assassination of Empress Elisabeth of Austria at Geneva in Eighteen ninety eight. Conrad, who was seized by the police in the Hotel Cecil, after he had killed Vorovsky and wounded two attaches to the Russian delegation continues to maintain that he acted alone in an effort to avenge his father and uncle for mistreatment that they had received at the hands of the Bolsheviks during the Red terror. Switzerland keenly feels the position in which Conrad's act places the country and fears the world opinion may hold that local Patriotic Associations are morally or materially responsible, in as much that the Swiss Patriotic organization recently ordered Vorovsky to leave the country or take the consequences.

WOOD ALCOHOL POISONING.

QUEBEC, May 11.
Deadly sick from drinking wood alcohol in mistake for medicine and with their four children too distracted with fear to summon help at once, Mrs. Louis Gray and her husband died before assistance reached them.

Across the Channel for a Quarter.

LONDON—From Calais to Dover and back on a \$350 aeroplane using only 25 cents worth of gasoline and from England to America in 12 hrs. are the latest possibilities of aeroplanes. The latter achievement is claimed for a new engine designed to develop 2,300 h.p., built to the order of the Air Ministry. The former is declared to be possible by a new "baby-power monoplane," constructed for M. Barbot, a French aviator. There have been speed records and height records, trans-Atlantic and trans-continent flights, but the fact that Mr. Barbot's flying machine, costing half the price of a light automobile, is to be flown by its inventor across the English Channel and back on 25 cents worth of gas is one of the biggest advances in aviation in recent years.

Big Battle in Sight.

DEMPSY vs. GIBBONS.

Jack Dempsey, World's Heavyweight Champion will receive \$300,000 for risking his title against Tom Gibbons the St. Paul Challenger, in a 15 round contest to a decision at Shelby, Montana on July 4th. Gibbons will not receive a penny of the receipts until the first \$100,000 is in the box office. He will receive 50 per cent. of all money over the amount until the \$500,000 mark is reached. After this figure is reached the challenger will receive 25 per cent. of all over \$500,000, and also will be given 25 per cent of the moving picture rights, in addition to \$2,500 for training expenses. Dempsey has been allowed \$10,000 to cover his training expenses. Mr. Jimmy Dougherty of Philadelphia will probably referee the bout.

Nfld. Athlete Taken Suddenly Ill.

Word has been received in the city that Mr. Tommy Winter, son of Mr. Thomas Winter, who has been studying Civil Engineering at the Nova Scotia Technical College, was taken seriously ill a few days ago, and underwent an operation for appendicitis. Halifax papers made reference to his illness by stating that he was the hard luck boy of the Maritimes, because he was taken suddenly ill with the malady the day before his final examination. It is regrettable that he was unable to take his place with the rest of the graduating class, and we hope that the operation will be a complete success. He will probably take his exams. later. Mr. Tommy Winter is well known in athletics and figured prominently with the Halifax Crescents Hockey team this winter.

Aeroplane vs. Motor Car

PARIS—An exciting chase by aeroplane of a motor car laden with gold which was being smuggled out of the country, took place on the road between Damascus and Baghdad. The aeroplane, fitted with a machine gun, took the air fifteen minutes after word was received that the car was making for Baghdad. Shots were fired wide as the warning. The occupants stopped the car and fled to the shelter of some rocks where they were held by the encircling plane until the police and customs officials arrived.
