**A Midsummer Luxury.**  
One of the grandest luxuries imaginable, is close association with the scent of flowers. There is a peculiar, fascinating appeal in a good perfume, which instantly creates delight.  
It is not always possible to be closely associated with real flowers, but the odor of Richard Hudnut's **THREE FLOWERS PERFUME** is as fragrant and beautiful as the natural flowers—for this perfume is made from real choice flowers gathered in the world's finest and most select gardens.  
**THREE FLOWERS PERFUME** is present to a pleasing degree in the Face Powder, Talcum and Vanishing Cream bearing this name, and all are delightful toilet aids that any lady will find great pleasure in using.  
We are now well stocked with **THREE FLOWERS** toilet goods of all descriptions, and will be pleased to serve you.
