

A niece of Daniel Webster married for money some years ago. She is now keeping a lodging-house in Boston, while her husband superintends a fish stand.

Some one wickedly says that there is no very young girl take the prize at fairs for making good bread because their mothers make it for them, while the older girls think they can manage alone, and fail miserably.

Josephine McCarty, editor of the Truth Teller, thinks that if the whole truth about women could be known, every virtuous man in the world would run howling to the nearest water and drown himself.

Kate Fegan says that a philosopher never notices what a woman has on. Suppose a woman wore a panier over her left eye, a pumpkin on each foot, a chemise on her head, a towel around her waist, doesn't Miss Field think a philosopher would notice her costume? If not, the philosophers must be all a good deal blunder than bats, even of the base ball kind.

A widower observed the third anniversary of his wife's decease with a little supper the other night. The affair passed off in an agreeable manner, and the party separated at a late hour in the best of humors.

A Terra Hautean who vowed never to marry until he had accumulated \$12,000, is now slowly collecting the last hundred dollars, and a beautiful young lady is preparing her wedding clothes.

The total number of arrivals of immigrants at Quebec for the season was 34,415, of whom 2,416 were British and 19,496 British storage passengers; there were 12,255 foreigners, and 200 stowaways.

The merchants of Quebec are said to be so thoroughly disgusted with its English press that they contemplate starting a new daily paper, to be called the *Daily Morning Herald*, with a capital of \$100,000.

A grant many cattle are being shipped from the Ottawa district to the States. They average in price \$22 per head. The approach of winter and the high rate for feed account for the low price at which stock can be procured.

Ven. Archbishop McLean has returned to Manitoba. He will shortly be assisted in his labors there by two clergymen of the Diocese of Huron, who have been induced to accept positions in the college and mission of Winnipeg.

A soldier telling his mother of the terrible fire at the battle of Chickamauga, was asked by her why did he not get behind a tree. "Tree," said he; "there wasn't enough for the officers."

**Breakfast—Epps's Cocoa—Grateful and Comforting.**—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is a simple, yet a powerful means of restoring the system. Made simply with boiling water or milk. Each packet is labeled "James Epps & Co., Homoeopathic Chemists, London." Also, makers of Epps's Milky Cocoa (Cocoa and Condensed Milk).

Loss of memory is ever the first indication of a disorder or degeneration of nervous element. The rapidity with which the mind is restored by the use of Epps's Compound Syrup of Hypophosphites is perhaps the best proof of its power in re-establishing the strength of the nervous system.

The most unhappy person in the world is the Dyspeptic. Everything looks dark and gloomy; he feels "out of sorts" with himself and everybody else. Life is a burden to him. This can all be changed by taking Peruvian Syrup (a proteid of iron). Cases of 27 years standing have been cured by it.

If You Have Been an Invalid for years with some Chronic Wasting Diseases of the Lungs, Heart, Liver, or Kidneys, you need not flatter yourself that medicine is going to cure you immediately. Repair goes on slowly, and time is necessary to build up a broken down constitution. Do not take every nostrum you read about, nor follow the advice of every friend who has a specific to offer you. Procure a remedy scientifically prepared, that is the result of experience, that has a large amount of evidence of sensible people in favor of its reliability, and persevere in its use until the whole system undergoes a radical improvement, and health is restored. Dr. WHEELER'S COMPOUND ELIXIR OF PHOSPHATES AND CALCEA, a Chemical Food and Nutritive Tonic, will meet your most sanguine expectations, as it combines everything necessary to perfect digestion, Nutrition, and the formation of Healthy Blood, and to vitalize all the organs and tissues of the body. Sold at \$1.00 per bottle.

## Iron in the Blood

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damage, and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhoea, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and therefore cannot reasonably hesitate to give it a trial.  
See that each bottle has PERUVIAN SYRUP blown in the glass. Pamphlets Free.
