## Ames & Co.'s Statement as Regards Suspension

They Hope to Pay All Their Creditors in Full.

The Liabilities in Round Figures Are \$7,500,000.

The Firm Holds No Shares in the

Atlas Loan Company-No Panic in Financial Circles.

Toronto, June 4.-A. E. Ames & Co. last evening handed out the following for publication:

We have been carefully considering all the questions relating to the present position, and are desirous of furnishing those interested with a general idea of matters.

Some of our New York and Boston correspondents, finding the margins on the suspension of payment, proceeded to sell a considerable quantity of stock. These sales we had to put through for These forced sales are now out of the way, and we believe that the disposisonable time to deal with them. Noti-fications are now being sent to our of age. LIABILITIES \$10,140,000 UN MAY 30TH The firm's liabilities at the end of last month were \$10,140,000, with a book surplus in the business of \$1,090,-000. To this surplus is to be added the capital in the business, comprising a somewhat substantial total. From this, however, must be deducted such losses as the firm have suffered since the end of their year, on Jan. 15 last, through REFUGEES IN THE MOUNTAINS themselves, and through losses arising from clients who were unable to protect their stocks through some Frequent Combats Take Place Beof the recent heavy declines. The firm hope to be able to pay all creditors in full, and feel that they will be able to do so if left free from attack, and if, as they feel satisfied will be the case, the banks and corporations carrying their securities will facilitate matters in their own and the general interests, as well as through such reason-
