AUGUST 4.

People of this date having minds of practical, philosophical, and spiritual combined, a triunity, they radiate a luminous substance, which makes them a most powerful people for good, with a marked ability to inspire others.

Under such conditions they have the most remarkable power in molding public opinion, and in swaying great audiences. In fact, the truly wakened Leo man and woman is invincible if he or she will learn the pathway to silence.

The governing sign of this date is Leo, the Lion, and the governing planet is the, Sun. The birthstone is a ruby and the astral colors are red and green.
