## WISTAR'S

BALSAM OF WILD CHERRY.

A Compound Balsamic Prepara-  
tion from Wild Cherry

Bark and Tar.

The best remedy known to the world for the cure of  
Coughs, Colds, Asthma, Croup, Whooping  
Cough, Sore Throat, Hoarseness, In-  
fluenza, Shortness of Breath, Pain  
and Weakness in the Breast or  
Side, Larynx, Complaints  
of the first stages of  
CONSUMPTION.

A THOUSAND CURES in cases deemed  
utterly hopeless have firmly established its  
superiority over every former medical  
discovery. It has always been styled "Na-  
ture's own Prescription," being formed chief-  
ly from chemical extracts from Wild Cherry  
Bark and Tar—two trees that are thickly  
scattered wherever disease of the lungs pre-  
vails. We give a few instances of its extraor-  
dinary power, from a catalogue almost with-  
out end.

A lady (address will be given at the New  
York Agency) who was given up by all of her  
physicians to die of consumption, had a hard  
tumour for months on the side—raised among  
large quantities of matter a sort of honey  
sauce—had taken no medicine for two months  
being past all hope—entirely cured by a few  
bottles of this Balsam in September and Oc-  
tober, 1844.

A Williams, Esq., Attorney, &c., New-  
York, cured of squamous asthma of 25 years'  
standing, certified to by Recorder Fallbridge  
and J. Power, D. D.

A Canadian, New York City, who had not  
sleep, lying down, for 7 years. (being obliged  
to sleep in a sitting posture) so far cured as to  
attend to his business in the most ordinary way.

Thomas Bradlee, Esq., J. P. Jamaica, L.  
I., cured of asthma of 40 years' standing.

Mrs. Anna D. Hopkins, of Knoxville,  
N. Y. severely cured of liver complaint and  
general debility of eighteen months' standing.

Jacob Hoffman, M. D. Birmingham, cured  
a child of P. sphyctic, of obstinate disease  
of the lungs after he had tried all the usual  
remedies in vain.

There is no such thing as a "fail" in the  
history of this wonderful BALSAM. Evi-  
dence the most convincing—evidence that  
no one can doubt—fully establishes this  
fact.

NO QUACKERY! NO DECEPTION!  
—ALL published statements of cures  
performed by this medicine, are, in every  
respect TRUE. Be careful and get the  
genuine "DR. WISTAR'S BALSAM OF WILD  
CHERRY," as spurious imitations are a  
broad.
