

NOTICES AND RECOMMENDATIONS

OF THE

COMPREHENSIVE COMMENTARY.

The Publishers select the following, from the testimonials they have received as to the value of the work:—

We, the Subscribers, having examined the *Comprehensive Commentary*, issued from the press of Messrs. L. G. & Co., and highly approving its character, would cheerfully and confidently recommend it as containing more matter and more advantages than any other with which we are acquainted; and considering the expense incurred, and the excellent manner of its mechanical execution, we believe it to be one of the *cheapest* works ever issued from the press. We hope the publishers will be sustained by a liberal patronage, in their expensive and useful undertaking. We should be pleased to learn that every family in the United States had procured a copy.

The *Comprehensive Commentary* contains the whole of Henry's Exposition in a condensed form, Scott's Practical Observations and Marginal References, and a large number of very valuable philological and critical notes, selected from various authors.—The work appears to be executed with judgment, fidelity, and care; and will furnish a rich treasure of scriptural knowledge to the Biblical student, and to the teachers of Sabbath Schools and Bible classes.
