Protection from Lightning, BY SPRATT'S PATENT. LIGHTNING RODS manufactured by E. V. Wilson and H. PIPER & Brother, 50 Yonge Street. The Subscribers are the only authorized agents for the sale of these valuable rods, in the Canadas. Manufactured and for sale, wholesale and retail, at No. 50, Yonge Street, Toronto. CAUTION.—Allow no man to protect your buildings without first examining the points of his rods, and if they have not the Platinum Wire in the point, they are not genuine. The coating of them is of a composition metal that never rusts, retaining its brightness for years. The metal is soft and easily cut with a knife, yet sufficiently hard not to melt under the influence of electric fluids. Look out for rods manufactured at St. George, C. W., they purport to be Spratt's points and rods but are not. The points are made of steel, highly polished, but will become coated with rust after the first night's exposure to the atmosphere, consequently rendering them useless. Always ask for the Agent's Certificate of right to sell, and be sure to notice the stamp—SPRATT'S IMPROVED POINT—this is on the points near the base. Notice.—No Policy of Insurance covers losses by Lightning unless burned down or set on fire. E. V. WILSON and H. PIPER & BROTHER. Agents wanted. Toronto, March 16th, 1854.

THE "CANADIAN SON OF TEMPERANCE AND LITERARY GEM," is devoted to the interests of the Order of the Sons—to temperance generally—to agriculture and the interests of farmers—to the advancement of Canadian Literature and Science—and to general and political news. The effort of the Publisher and Editor will continue to be to make an eminently a home and family paper, filled with it choice variety of reading matter. Our terms for 1854 are as follows:— Single Subscribers, sent by mail, or delivered in the city, in advance, or within January, 6s. 3d., cy. At the end of three months, 7s. 6d., cy.; at six months, 8s. 9d., cy.; at the end of the year 1854, 10s. cy. These sums will be considered as due and collectable at the end of these respective periods. Half-yearly Subscribers 3s. 9d., cy., in advance, and \$1 if not paid till the end of the six months. To Agents, Friends and Clubs, we offer these inducements:— To agents whose names have stood upon our Books in 1853, if declining to act as such in 1854, 5s., cy., in advance, will be charged. To old agents, collecting from old or new Subscribers, in 1854, \$10—or sending five entirely new names, sending the money to us during the year, at regular prices, a copy will be sent gratis. To any old Subscribers sending two new Subscribers, at regular prices, 5s. only. Ten copies of this paper will be sent to one address for \$10. Twenty copies to one address for \$18. In such cases it must be distinctly understood that the papers will be done up in one package, and addressed to but one person, or Division—and that those sums must be paid in advance, or within January—otherwise the usual credit charge will be made against the person or division ordering them. Any one sending ten new subscribers, at usual prices, of 6s. 3d. each, (in advance,) may deduct out of the money collected 15 per cent, and so for any greater number. The Proprietor, however, gives notice that he will not be answerable for the receipts of, and payments to agents, travelling or otherwise, whose names do not appear regularly as such in this paper. Subscribers, before paying self-constituted agents, should see that they are persons of character or property. The "SON & GEM" will be regularly issued weekly, on Friday afternoons,—dated and mailed on Saturday, so that most, if not all of our Subscribers will receive the same in Canada East and West by Saturday evening.
