

Ladies We invite your
inspection of our

CRAWFORD CYCLES

weighing 23 and 25 lbs.
and fitted with all up-to-date im-
provements, including oil-retain-
ing dust-proof bearings, wood
chain and dress guards, etc.

Guaranteed equal in results
to any ordinary high-grade
Cycle.

For the higher class trade we have the

"CENTAUR QUEEN"

(The mate to our famous gent's "KING OF SCORCHERS.")

This cycle has more useful im-
provements, and requires less
care and attention, than any other.

Insist upon the agent in your
town showing you these, and if he
will not, write direct for cash prices

How
About....
a
Bicycle?

Our
"Dayton"

is admitted to be
the best high grade
wheel on the market

—and the Ladies' "Dayton" is
simply a beauty.

Also—the "Road Queen" is a good
high grade wheel at a lower price.

And—the "Duchess" is the best low
grade wheel for the money.

Ladies' Bicycles

Like ladies' dresses, must be perfect in fit,
design and material. Those are the points we
have taken into consideration when building
our ladies' machines. A glance at our cata-
logue will assure you we have hit the mark.
