

Strangers and new comers feel at home with us.

Notes

16. **What a blessed day** we had Easter Sunday! How glad we all were to see the children following the Lord Jesus. We hope others who have accepted Christ as Saviour will soon obey the Lord's command.

2. **Our choir** gave us most excellent music on Easter. As a church we are thankful to have a choir in such thorough sympathy with the main work of the church, the salvation of sinners. In this grand work the singing has no small part. It helps to prepare for the word, and to carry it home to the hearts of the people. A choir for any other purpose than aid in making worship more spiritual is out of harmony with New Testament teaching. Let us pray for our choir that they may have spiritual anointing of the Holy Ghost to lead us in spiritual song. For the loving service which they voluntarily render, they have our hearty thanks and sympathy.

Pa **The Easter decorations** of our church were beautiful. The Flower Committee of our B. Y. P. U. have our hearty thanks. They did it in love to the Master and the church, and deserve our commendation. Nearly every Lord's day our church has some evidence of their thoughtfulness. The flowers preach beautiful sermons and add to the gladness of our services.

" **The best part** of our Easter services was the interest which the unconverted manifested in their salvation. Several expressed their desire to be saved. The after meeting is the grandest service of the day, and nearly every Sabbath some new ones are coming to the Savior. We must work as hard as we can, and **expect** God to give us results. He gives according to our faith and works. Bring your friends to the after-meeting.

nv **Do you attend** the morning prayer-meeting? If you do, your soul is prepared for all the services of the day. If you do not, you are missing a great blessing. Come and help and get help.

Applications for sittings should be made to Deacon J. H. McPherson. The seats are given, not rented. Each holder of a sitting is expected to be a contributor.
