## HORLICK'S MALTED MILK

Horlick's is the standard. It is the *Original* product. Our special process insures results that cannot be duplicated by imitators.

Its quality and reliability are such that the medical profession has endorsed its use for over one-third century as one of the most satisfactory infant-foods next to mother's milk, and as a most efficient builder for nursing mothers, invalids, convalescents, and the aged.
