

MERRY CHRISTMAS!

How often the "Merriness" is changed to "Weariness" by bad digestion, Stomach Rebellion against overeating and overdrinking. During the Festive Christmas Season we are often careless in our living.

GOOD CHEER

and the good fellowship of the hour frequently tempt us to overtax our organs of digestion. We forget for the moment, but are sharply reminded by the Pain, Distress, Bloating, Heartburn or Headache.

Dodd's Dyspepsia Tablets

are a scientifically prepared preventative of, and cure for, all Stomach Derangements. Two of these dainty Tablets, taken immediately after eating, will digest every particle of the most hearty meal. A full treatment will cure the worst case of Indigestion, Dyspepsia, Sour Stomach, Heartburn, Biliousness, Flatulency, or other Stomach Trouble.
