—OF THE—

Educational  
DepartmentMEMO. RE THE HIGH SCHOOL  
PRIMARY EXAMINATION IN  
ORAL READING, DRAW-  
ING AND BOOK-  
KEEPING.

THE examination in the above subjects will be held as provided by Regulation 28, on Wednesday the 27th day of June, 1894, at 9 a.m. at the different High Schools and at any other High School entrance examination centre where there are candidates. The presiding examiner in each place will be the same as for the Entrance Examination.

Any pupil of a High, Public or Separate School who has completed the course in Reading and Writing prescribed by Regulation 19, may, whether going up for the other subjects of the Primary or not, write at this examination.

As already announced, candidates must take any four books in the Drawing Course, but equivalent Art School certificates may be substituted for all or any of the Drawing books. A Primary Art School certificate, viz., the five Proficiency certificates, will also exempt the holder from the written examination. In Bookkeeping four sets, Regulation 28 (2), are required.

Attention is called to the regulation (No. 28) for conducting the examination in Reading and for examining the Drawing and Bookkeeping books which, in the case of those not attending a High School, should be forwarded to the Principal the week before, so as to allow the grading to be completed before the written examination commences. Candidates should provide themselves with rulers for drawing.

Principals of High Schools and Separate Schools will be required to sign a certificate to the effect that the requirements of Regulation 19 relating to Reading and Writing, have been complied with. Unless the work in Drawing is completed, and the sets in Bookkeeping are those prescribed by the regulations, the books will not be accepted.
