

PARAGRAPHIC.

HOW THEY DO IT.

So-called respectable people would hesitate, considerable before pilfering your pockets in a crowded thoroughfare. That would be too too. The same discrimination is not indicated by the so-called respectable druggist when that wonderful corn cure, PUTNAM'S PAINLESS CORN EXTRACTOR, is asked for. He will pilfer your pockets in the most genteel manner, by substituting cheap and dangerous substitutes for the genuine Putnam's Corn Extractor. Watch for these gentlemen, and take none other than Putnam's Corn Extractor. Sold by druggist everywhere. N. C. Polson & Co., Kingston, proprietors.

It is always better to keep out of a quarrel than to make it up afterwards.

FOR CHOLERA.—Take a teaspoonful of Perry Davis' Pain-Killer in hot water, sweetened with sugar. Bathe the stomach and bowels freely with the Pain-Killer at the same time. If the attack be severe, and attended with cramps and diarrhoea, repeat the dose every fifteen minutes, using hot fomentations on the bowels. In extreme cases the dose may be increased to a tablespoonful.

An open mind, an open hand, and an open heart will find everywhere an open door.

One single box of *Parsons Purgative Pills* taken one each night will make more new rich blood than ten dollars' worth of any liquid blood purifier now known. These pills will change the blood in the entire system in three months, take one a night.

A man's own good breeding is the best security against other people's ill manners.

SCOTT'S EMULSION of Pure Cod Liver Oil, with Hypophosphites.—In consumption and general debility.—Dr. D. D. McDonald, Petticoe, N.B., says: "I have been prescribing Scott's Emulsion during the past year with good results, and general satisfaction. It is especially useful in persons with consumptive tendencies."

The ruin of most men dates from some idle hour. Occupation is an armor to the soul.

CAUTION.—The wonderful of Dr. SMITH'S GERMAN WORM REMEDY has induced the introduction of several vile imitations. The word "Wormerine," a registered trade mark, is stamped on each cake, without which none are genuine. Use no other. A box in the house will save many a doctor's visit.

When you are the anvil, have patience; when you are the hammer, strike straight and well.

The passionate are like men standing on their heads; they see everything the wrong way.

JOHNSON'S ANODYNE LINIMENT will positively cure chronic diarrhoea of long standing, also dysentery, cholera morbus, and cholera, used internally. There is no remedy known so valuable for immediate use as this old life preserver.

RELIGIOUS satisfaction and joy in God is one of the few things—almost the one only thing—that having possessed we can really keep. As the years pass we part first with one friend then with another. Life becomes more and more solitary and desolate. There are many acquaintances, but if we live on there are fewer and fewer friends. The store in Paradise, we trust, grows, but earth becomes more and more a desert for the heart. The heart cannot place all its resources at the disposal of every new claimant. The heart as the years go on, withdraws more and more into itself, and at the grave it must part with all that is earthly that is yet left. "He shall carry nothing away with him when he dieth; neither shall his pomp follow him," said the Psalmist of the wealthy three thousand years ago. —All is left at the gate of death, except, except—that knowledge and love of the everlasting Being who binds us to himself and which is our true outfit for eternity. It is something in a world of shadows to come into contact with the real; it is something when all is passing away from us to lay firm hold on the eternal, on the indestructible—*Canon Liddon.*

Brass candlesticks that have become very much tarnished will shine as bright as new, if rubbed first with a solution of oxalic acid and then polished with the finest emery.

Puttner's Emulsion.

KIND WORDS.

From the Medical Profession for Puttner's Emulsion.

Dr. Flxott of St. Peters says:—In the course of my practice I have had occasion to prescribe Puttner's Emulsion, and judging by results, cordially recommend it to possess all the virtues ascribed to it as a medicine.

Dr. Jenkins of Montreal, thus speaks of Puttner's Emulsion:—I prescribe your Emulsion of Cod Liver Oil with Hypophosphites, largely in my practice with most gratifying results.

Dr. W. S. Muir, Truro, considers Puttner's the best in the market:—The great benefit I have received from your Cod Liver Oil Emulsion with Hypophosphites in private practice, induces me to give my testimony in its favor. I consider it the best and most palatable compound of the kind in the market. Truly yours,

W. S. MUIR, M.D.,
C.M., I.R.S.P. and I.R.C.S., Ed.,
Late House Surgeon P. & O. Hospital.

P.S.—I have been giving your Compound to a great many children after Scarlet Fever, and find it just the thing. They can take it when almost everything else will be refused.

Dr. Sinclair obtains excellent results by prescribing Puttner's Emulsion:—It is readily taken by patients who refuse the oil in its original form, and produces excellent therapeutic results. As an Emulsion it appears a most stable preparation.
