IT HAS NO EQUAL.

DEAR SIRs,—I have used your Hagyard's Yellow Oil for many years, and have found it unequalled for burns, scalds, cuts, etc.
MARY A. COLLETT, Erin, Ont.

NORTH AMERICAN LIFE ASSOCIATION.

THE exceedingly satisfactory report of the twelve-month's business, presented at the annual meeting of the North American Life Association, which we publish in another column, indicates that the business of the Company has been of a healthy and profitable character. Great progress has been made during the last few years, and the fact that in 1892 new policies amounting to \$2,400,300 were written shows the appreciation in which this institution is held by the public. Its assets now amount to \$1,411,981, in addition to a guarantee fund of \$240,000, and the reserve fund is \$1,115,846. The total sum paid as claims, etc., under the Company's policies, during the year was \$118,436. The management may well be proud of such a record.

"He offered to sell me his corset for \$30."
"That's strange. He wanted me to pay \$100 for it."
"Yes; but you live next door to him."

BALMORAL BULLETIN.
