HER MAJESTY'S TABLE WATER.
[By Appointment.]

GODES-BERGER is a natural sparkling Mineral Water, which flows from a spring of this name, situated near the old Castle of Godesberg, opposite the Seven Mountains of the Rhine. This Water is exquisitely Pure, being entirely free from organic substances, and is the most pleasant water to drink, either alone, or mixed with Milk, Fruit syrups, Wines or Spirits. Although not a medicinal water, the use of Godes-berger will be found very beneficial to those who suffer from nervous weakness, or who are in any way troubled with indigestion, gout, or rheumatism.

GODES-BERGER has been highly approved by Her Majesty the Queen of England's Medical Advisers, also by numerous leading Physicians in London and throughout the world.

Dr. C. FINKELNBURG, Professor and Member of the Imperial German Sanitary Office, writes: "The Godes-berger Natural Mineral Water may, on account of its pleasant taste, and easiness of digestion, be continuously used as a Table Water, and is a refreshing and wholesome drink. It is to be highly recommended."

Dr. BROCKHAUS writes: "I prefer the Godes-berger Water above all Mineral Waters of a similar character."

Carpets

RELIABLE
VELVET
CARPETS
\$1.00.

THE value of Carpets is derived entirely from their quality. Beware of the "cheap and nasty" in Carpets. Disappointment will certainly follow. Better a good Brussels, for example, than a cheap Wilton—the one has body, the other has not.

We speak to-day of a Velvet Carpet, known for the pureness of the yarn and closeness of the pile. A tasty, rich, silky-like carpet, and guaranteed to give wear.

"The proof of the pudding is in the eating of it." We point with satisfaction to our Velvet Carpets on the floors of the Athletic Club and leading hotels of the city, where only a substantial carpet will wear.
