A merchant that plies his craft with-unscrupulous appliance of every means that win, he too wants "doctrine on the Sabbath," not those secular quesions. Men wish two departments in life; the secular and the religious. Between them a high wall and opaque is to be built. They wish to do what they please for six long days. Then stepping the other side of the wall, they wish the minister to assuage their fears, to comfort their consciences, and furnish them a clear ticket and assurance for heaven. By such a shrewd management, our modern financiers are determined to show that a Christian can serve two masters, both God and Mammon at the same time .- Am. paper.

DR. M'LANE'S CELEBRATED VERMIFUGE, PREPARED BY FLEMING BROS., PITTS-BURGH, PA.

It has never been known to fail, and is one of the safest remedies that can be used. A friend of ours lately handed us the following statement in reference to this Vermifuge:

New York, September 25, 1852. Gentlemen—A young lady of my acquaintance had been for a long time very much troubled with worms. I advised her to try Dr. M'Lane's Celebrated Vermifuge, prepared by Fleming Bros., of Pittsburgh, Pa. She accordingly purchased and took one vial, which caused her to discharge an unusual large quantity of worms. She was immediately relieved of all the dreadful symptoms accompanying this disease, and rapidly recovered her usual health. The young lady does not wish her name mentioned: her residence, however, is 320 Fifth street, and she refers to Mrs.

Hardie, No 3 Manhattan place.

13 Purchasers will be careful to ask for DR. M'LANE'S CELEBRATED VERMIFUGE, manufactured by FLEMING BROS. of PITTSBURGH, PA. All other Vermifuges in comparison are worthless. Dr. M'Lane's genuine Vermifuge, also his celebrated Liver Pills, can now be had at all respectable drug stores. None genuine without the signature of

PROSPECTUS OF A

NEW TRI-WEEKLY MONTREAL NEWSPAPER,

DEVOTED TO

News, Literature, and General Politics,

"THE NEW ERA." EDITED BY THOMAS D'ARCY MCGEE.

MANY friends of the gentleman who is to be the principal Editor of "The New Era" having strongly encouraged him to enter the field of Journalism, in Canada, it devolves on him briefly to explain on what principles the new Paper is to come before the

public. It is to be called "THE NEW ERA," as an indication of the time of its birth. This magnificent Province has evidently arrived at such an era;—steam by land and sea; the sub-Atlantic Telegraph the probable annexation to Canada of a habitable region, larger than France and Austria combined; are facts which must give their own character to the times in which they occur. In the onerous future, which is to see the fair promises of the present fulfilled or marred, Journalism will play an important part; and we desire to have some share, however small, in

the labors and duties it imposes. Public interests are, commonly, either of a religious or of a political nature, and we shall briefly state our views of both :-

Questions strictly, or mainly, religious—unless forced upon the Press, under political or partizan pretences,—ought, it seems to us, to be carefully avoided by the secular journalist. But, as of all Freedom's gifts to man, none is so dear as the free domain of his own conscience, we shall cordially concur with whatever party in the Province can give the best guaranty that the freedom of conscience, which now so happily characterizes Canada, shall

be perpetually preserved.

For the Politics of "THE NEW ERA," we can only say, in general, that we mean to make them such as may best harmonize with the interests of United Canada. Independence of dictation is essential to the credit and usefulness of Journalism, and we shall not hesitate to approve, nor to oppose, particular measures, because of the personality of their authors, whether in or out of office. To be governed by a genuine liberality, and to cultivate the same feeling in the hearts of our readers, will be our chief aim in dealing with every question of the day. By this de-

claration we desire to be judged hereafter.

Although the salutary custom of the Canadian Press preserves the anonymity of its writers, it may not be unbecoming for us to say that our readers may expect regular, or occasional, contributions from Dr. Shelton Mackenzie, now of New York; Mr. EDW. WHITTY, of the London Press, author of "Political Portraits"; Mr. EDWARD HAYES, Editor of the "Irish Ballads," now in Australia; and some other friends and correspondents, whose names are not so much public property as those of the gentlemen just named.

"The New Era" will be printed upon a fine paper, and will contain 28 columns, of which at least ten columns will be reading matter. It will appear on the morning of each Monday, Wednesday, and Friday, and will be conducted solely on the Cash principle. No subscription can be taken for less than six months, and, a month's notice being given of the close of the term, no paper can be sent after the subscription expires.

Montreal, March 12, 1857. AYER'S CHERRY PECTORAL,

Colds, Coughs, and Hoarseness.

BRIMFIELD, MASE., 20th Dec., 1855.
DR. J. C. Aver: I do not heaitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints.

EBEN KNIGHT, M. D.

A. B. MORTLEY, Esc., of Urica, N. Y., writes: "I have used your Pectoral myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

SPRINGTELD, MIES., Feb. 7, 1856.

BROTHER AYER: I will cheerfully certify your Pectoral is the best remedy we possess for the cure of Whooping Cough, Croup, and the chest discases of children. We of your traternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., Monterey, I.A., writes, 3d Jan., 1856: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief; flaally tried your Pictoraxi by the advice of our clergyman. The first doso relioved the soreness in my threat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we asteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis. WEST MANGUESTER, PA., Feb. 4, 1856.

Sir.: Your Cherry Pectoral is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years.

HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., Almon, Honnor Co., Iowa, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your Current Pretoral for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon

Consumption. Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the CHERRY PECTORAL affords re-

lief and comfort. lief and comfort.

ASTON HOUSE, NEW YORK CITY, March 5, 1856.

DOCTOR AYER, LOWELL: I feel it a duty and a pleusure to inform you what your CHERRY PECTOLAL has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could precure gave her much relief. She was steadily killing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bloss his kindness, as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well. Yours, with gratitude and regard.

ORLANDO SHELBY, or SHELBYVILLE. Consumptives, do not despair till you have tried Aven's Cheren Pettoral. It is made by one of the best medical chemists in the world, and its cures all round us bespeak the high merits of its virtues. — Philadelphia Ledger.

Ayer's Cathartic Pills.

Ayer's Cathartic Fills.

The sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that those Prits have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties slimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and import healthy tone with strength to the whole system. Not only de they cure the everyday complaints of every body, but also formidable and dangerous diseases that have balled the best of human skill. While they produce powerful effects, they are, at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are tree from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their cures of the following complaints:

— Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburnt, Headache arising from a foul Stomach, Nausea, Indigestion, Morbid Inaction of the Bowels, and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an evacuant Medicine, Scrodula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Beafness, Partial Bilindness, Neuralgia and Norvous Irritability, Derangements of the Liver and Kidneys, G

the body or obstruction of its functions. Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for Aven's Phls, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.
