MONTREAL & VANCOUVER, B. C.

Mercantile Summary.

THE annual meeting of the Montreal Elevator Company was held last week. The directors elected for the ensuing year were Andrew Allan, president; Hugh McLennan, Alexander McDougall, A. T. Patterson and T. A. Crane.

An elevator is being built at Prescott. The directors are Ottawa and Prescott people. Officers are as under: President, J. P. Wiser, Prescott; vice-president, William Scott, Ottawa; secretary-treasurer, F. J. French, Prescott.

THE corporation of Brockville sold recently to the North British and Mercantile Insurance Company, Montreal, \$16,000 debentures, 4½ per cents., having thirty years to run, at 104.27, and \$8,000 debentures, 4½ per cents., running twenty years at 106.84.

H. T. PRYOR & SONS, dealers in shoes, etc., Petrolia, are in difficulty and have assigned. — James Crocker succeeded M. J. Hennesy as a dealer in musical instruments in St. Thomas some three years ago, paying a few hundreds of dollars cash, and giving a mortgage for the balance. Owing to some charges of irregularity being brought against him, he has taken his departure across the border. — John Young, tinsmith, Thornbury, has assigned. — An extension of time for three years is asked from the creditors of T. O. Callaghan, butcher, Alliston.

A MONTREAL merchant received on Friday last the following despatch from a St. John's, Nfld., house: The "Aurora" has arrived loaded with seals and reports that the "Neptune" has 35,000, the "Wolfe" 26,000, the "Ranger" 16,000, the "Hope" 12,000, the "Newfoundland" 6,000, with the remainder of the fleet clean. Mr. Rendell explained to the *Gazette* that this did not include the three or four steamers in the Gulf engaged in sealing.

AN offer of compromise at 30 per cent. is made by Donald McGregor, dealer in hardware at Caledonia, who wants ten months time to pay this. He owes \$8,000, and has nominal assets of half this sum. A year ago he claimed to have a surplus of \$6,000, and creditors would like to know where it is gone. — Two weeks ago we noted the assignment of Adam Falk, grocer, Shakespeare. Since then he has induced his creditors to accept 65 per cent. of their claims. W. T. Willis succeeded H. M. Rees, in 1892, as a grocer in Brantford. He had a small capital, and finding that he cannot pay his creditors makes an assignment.
