EXCELLENCY, and appropriate tracking the tracking and the second tracking the second tracking the second tracking tracking the second tracking trac

With reference to the report of the discussions between French and Canadian experts held in Ottawa on October 11 and 12, 1951, I have the honour to inform you that the French Government agrees to the following provisions:

- 1. The Agreement of March 22, 1946, between France and Canada concerning the release of certain private property from Canadian Government control, is abrogated.
- 2. French assets shall be released from custody by the Canadian Government. Consequently:
 - (a) Banks and other holders of assets under custody shall hereafter be free to make them available to their French owners;
 - (b) All appropriate arrangements shall be made by the Canadian Custodian to ensure that the assets physically seized by him will be surrendered to their French owners.
- 3. The provisions of this exchange of notes shall come into force on the date of signature.

I should appreciate it if you would let me have confirmation that the foregoing is acceptable to the Canadian Government.

Accept, Excellency, the assurances of my highest consideration.

HUBERT GUÉRIN.
