

Canada Elections Act

ples are generally used only when more detailed regional breakdowns are required as in the recent CBC poll. While the probable accuracy of a given poll is easily stated, the true meaning of the notion of accuracy is often overlooked once the appropriate disclaimer has been made. We can take, for example, the Gallup poll of last November which showed the Liberals jumping to a 19 per cent lead over the Conservatives and the NDP rising to 23 per cent.

Mr. Knowles: Hear, hear!

Mr. Cousineau: That makes the member happy.

Mr. Knowles: That is a good note on which to end.

Mr. Deputy Speaker: The hour provided for the consideration of private members' business has now expired.
