

RESOLUTION.

Resolution passed unanimously by the Royal Society of Canada at its general meeting, held on Thursday, May 20, 1920.

RESOLVED - that a standing committee on science and scientific conditions in Canada be appointed by this meeting, for the purpose of formulating, on matters pertinent to these subjects, resolutions and plans, embodying the views of the Royal Society of Canada, subject to the approval of the Society, as expressed by it in general meeting assembled or through its Council, the members of such committee to consist of representatives selected by Sections III, IV and V.

The members of the committee selected by the Sections, and appointed by the Society at its general meeting of the date indicated (May 20, 1920,) are : -

Section III : J. C. Fields, J. C. McLennan,

" IV : D. B. Dowling, T. L. Walker,

" V : A. Hunter, F. E. Lloyd.
