

March 15, 1933.

Professor J. F. Snell,  
Acting Dean, Faculty of Agriculture,  
Macdonald College P.O., P.Q.

Dear Professor Snell,

I am enclosing herewith copy of a letter written by me to-day to Professor Maw. The returns given to me yesterday by Mr. Ward place the Department in a most unfavourable light, and something must be done to correct this situation. Under the circumstances I hope you will not mind my writing directly to Professor Maw.

Ever yours faithfully,

Principal
