TOMMY BURNS BACK IN FORM.

CALGARY, Alta April 3—Tommy Burns and Arthur Pelkey fought six fast rounds here last night. It was a no-decision affair, tho Burns forced the fighting at all times. Burns scored three knockdowns and was floored once by the giant Pelkey, but was on his feet instantly and continued his rushing tactics. Physically, Burns was in surprisingly fine condition, but failed to judge blows to best advantage. To give Burns credit he gave an impressive demonstration of come back ability and ringside critics believe he would have won by a knockout over a longer route. It was a slam-bang battle from gong to gong. Pelkey is a huge fellow, capable of taking a real wallop and landing one himself. Burns worked effectively with both hands, while Pelkey depended largely upon left jabs.

HARNESS HORSE GOSSIP

(By Ed. Baker.)

Al Proctor left for Calgary last night.

Ed. Geers, the veteran reinsman, recently celebrated his 61st birthday.

Reports from the west say that a number of noted horsemen will train at Portage la Prairie. G. Loomis, Minneapolis; Al Russell from California, George Spencer with A. C. Mackenzie's string, and Billy Fleming, with W. J. Cowan's horses, being among the number.

L. H. Edmonds, the noted Blenheim horseman and owner of the first Grand Opera, the pacer that has a half mile track record of 2.12¼, was in the big city yesterday. He owns the promising green pacer Prince Rupert, that raced at Dufferin Park last fall.

The pacing gelding, Richard S., 2.13¼, owned by O. B. Sheppard of this city, is now in John Meade's stable and will be raced by the east end horseman this year on the Canadian circuit. If Richard is himself again it will take a smart pacer to beat him in his class.

It is known that when Truman Lowes of Calgary made his recent raid on the eastern speed market he came very near getting the local pacing mare, Nettie Ethan, 2.10¼, owned by Bob McBride. Mr. Lowes has a very high regard for this mare, but R.J. likes her just a little bit better.

Owner John C. Ward and Trainer Art Bedford have decided to stick to the half mile tracks this year and race their stable of five pacers on the Canadian circuit, afterwards invading Michigan. The horses in this string are: Ritchie 2.09¼, Greatest Heart 2.12¼, Enow 2.16¼, Jack Johnson 2.29¼, trotting, and Ellen W., no record.

Seneca Maid, 2.20, dam of the ill-fated Penisa Maid, 2.04¼, recently lost a foal by the Allerton stallion, Redlac, 2.07¾.

The Canadian champion trotting stallion Jack McKerron, 2.07¼, owned by Crow & Murray of this city, is in the stud at Patterson Bros.' Stock Farm, East Toronto. This horse carries the fastest record of any trotting stallion standing for service in Canada and is one of the best stallions in America.

When John E. Madden sold the trotting gelding Creosote to Nat Ray for R. J. McKenzie, the Kentucky horseman remarked to Nat: "You will win the M. & M. with that horse." Local critics figure that Creosote's chances in the big trot are just about as good as any other entrant has.

A recent wire from Calgary states that the trotter Dr. Wilkes, 2.11¼, is rapidly recovering from the attack of pneumonia which struck him shortly after arriving in the western city. This is good news, the horse's owner, Truman Lowes, is a genuine sportsman.

The front page of the illustrated section of The Sunday World, which will be out Saturday night, is devoted entirely to the horse. Beautiful pictures of noted thorobreds and standard-breds appear on it and, altogether, it will be found interesting to horsemen.

The pacing mare Pansy, by Roadmaster, a conspicuous figure at the local matinees a few years ago, when owned by R. J. Patterson, a prominent member of the Dufferin Driving Club, is now owned by Oland Cox, Medicine Hat, Alta., who writes that he intends racing her on the Western Canada Circuit this season.

Pansy was much better than an ordinary pacer, which she demonstrated on the ice at Ottawa in the memorable 2.35 class pacing stake won by the little mare from Picton, Yuri, after eight heats of desperate racing. She and Star Brino each won two heats, and Victory Hal, one, with Yuri carrying off the necessary three, and with better handling in the race, Pansy should have won.

The mare has no turf record, but as she will have to clash with horses like Grand Opera, her chances of winning appear slim indeed.

The eighth annual meeting of the Winnipeg Amateur Driving Club was held in Winnipeg Monday of this week when the following officers were elected: Hon. president, A. A. Gilroy; president, Alex. Stewart; vice-president, H. A. Dangerfield; secretary, Rupert S. Hamilton; treasurer, W. B. Pickard.

The executive committee appointed was composed of the following members: Dr. Benson, H. E. Burgess, J. E. Robertson, A. Dodge, G. Ford, H. Argue and Dr. O. Graham. "Dick" Roche will again officiate as starter, and C. A. MacIntosh was elected assistant starter, and will occupy the starter's box in the absence of his confrere.

The floods in Ohio last week are responsible for the loss of at least one noted horse as The Director General, tho rescued, succumbed to an attack of pneumonia, due to exposure.

The Director General was a black horse, nineteen years old, got by Director, 2.17, dam Winnifrede, by William L. He was bred by the late A. H. Moore, Cloverdale Farm, Colmar, Pa., and was owned at the time of his death by Frank McCloud of Dayton, Ohio.

In the stud, The Director General was a pronounced success, as he was the only stallion to have four of his get in the 2.05 list.

The first of The Director General's to attract attention to that stallion as a sire of extreme speed were Mainsheet that took a trotting record of 2.05 and William O., 2.04¼, pacing, and Mainsheet has since proven that he also transmits speed by his son, Mainleaf, that took a trotting record of 2.08¼, as a 3-year-old.

Don Pronto, 2.02¾ (champion 5-year-old pacer last year), and Wy-Drad, 2.04½, the brilliant 4-year-old of last season, are the others two of The Director General's get in the select list.

He was also the sire of Deuchester, 2.07, Chatty Direct, 2.07¼, and Director J. (3), 2.08¾, besides many others in the list.

The Director General was a sure 2.10 trotter when he went wrong at an early age, and had to be retired to the stud.

The recent activity on the part of horsemen in buying colts by Kentucky Todd, calls attention to the fact that this young stallion was the fastest yearling trotter that had ever appeared at Lexington up to his time—evidenced by a quarter in 32½ seconds. As a 2-year-old he won the Kentucky futurity and took a record of 2.14¾, the fastest of the year. The next year he won at Indianapolis in 2.09, a new race record for sex and age. This he reduced to 2.08¾ the following week at Columbus. Sickness prevented a good showing his last start at Lexington. When Kentucky Todd was six years old three of his get took yearling records, which broke all previous records of this kind. The yearlings referred to were Princess Todd, 2.24¾ (afterwards, 3, 2.09¼); The Baronet, 2.28¼, and K. L. Todd, 2.29¾. From his first crop also came Paronella Todd, 2, 2.24¾. From his second crop came Menzo Todd, 1, 2.26¼.

Kentucky Todd is bred to be a sire. He was by Todd, 2.14¾ (the greatest young sire ever foaled—sire of 82, and died at 10 years), dam Paronella, dam of eight, including Country Jay, 2.05¼; Ormonde, 2.08¾; Judge Parker, 2.09½, and Paronhurst, 2.12¾, making her the only mare to produce four trotters with records better than 2.10.

Kentucky Todd, is owned by Cruickston Stock Farm, Galt, Ont., but will make the season in charge of R. C. Estill, Lexington, Ky.

AUCTION SALE AT MAHER'S EXCHANGE.

Trade was exceptionally quiet at yesterday's auction sale and prices were very low for the class of stock offered. Owing to the absence of western buyers in the eastern market this season, the trade is purely local and the decreased demand necessitates lower prices. Horses must come cheaper from the breeders before anything like a healthy demand will be created. The management reports a very heavy run of fresh country horses for next Monday's sale. Some of the buyers were: J. E. Lawson, Grimsby; A. C. Quickfall, Berlin; N. Gelinas, Three Rivers, Que.; M. Donnelly, Mimico; I. Belumbo, F. A. Musgrove, J. Coster, N. Taylleth, James Ryan, J. Buckhurst, A. Manson, J. Bowsted, P. Fitkin, William Boyd, Thomas Todd, R. Holden, J. B. Harris, W. Collins.
