

BIG EXPANSION FOR CANADA WHEN RAILWAYS ARE COMPLETED

Prince Alexander of Teck at London Dinner Expresses Satisfaction at Conclusion of Arrangements to Finish Construction of Transcontinental — Setback in Business Not Lasting.

Canadian Associated Press Cable. LONDON, Tuesday Morning, May 26.—A distinguished company, including Prince Arthur of Connaught, Prince Alexander of Teck, governor-general designate of Canada, and other representatives from every corner of the empire, gathered together last night at the annual dinner of the Royal Colonial Institute. The chair was taken by Prince Arthur of Connaught, who, in his opening remarks congratulated the institute upon securing such an excellent president, in the person of Earl Grey, who seemed far excellence to be the right man in the right place.

Prince Alexander of Teck, very briefly responding to the toast of the Dominion, proposed by Dr. Parkin, said that in his new office in the great state grants of an equal amount it will mean the expenditure of some \$50,000,000 per annum more than at present.

UNCLE SAM TO AID IN BUILDING ROADS

Twenty-Five Million Dollars a Year to Be Spent by Washington.

EACH STATE TO SHARE

Sum Equal to Amount of Grant Must Come From Every State.

A bill was passed at Washington which provides for the sum of \$25,000,000 a year to be spent on the building and improving of roads throughout the Union. This amount will be divided among the different states and will be used for the construction of well roads.

having some of their roads put in good condition under able supervision. The allowance is very small when divided between the forty-eight states, but when augmented by the special federal aid. The widespread use of the automobile for business and pleasure has made good roads connecting up the larger towns a necessity not only to the local farmers but also to the residents of perhaps very distant parts of the country.

CREW OF FOURTEEN ON LOST LIGHTSHIP

Nearly All Were Glasgow Men — Possibly Carried Some Passengers.

Canadian Press Despatch. HALIFAX, May 25.—A special cable from Glasgow, Scotland, says there were 14 men on Lightship Halifax No. 15, when the ill-fated craft left the Clyde for Nova Scotia, on April 25. Nearly all of them were Glasgow men. So far as the builders of the craft, Boat, McLaughlin & Co., are aware there were no women on board, but the lightship called at Queenstown and there is a possibility some passengers may have come on board her there seeking a cheap trip to Canada.

CARTIER STATUE NEARING FINISH

Montreal is Preparing for Big Festival in September.

Canadian Press Despatch. MONTREAL, May 25.—A letter was received today from Mr. G. W. Hill, A.R.C.A., the sculptor who is executing the statue of Cartier and the other allegorical figures which will surround the base of the monument, from Brussels, that his work is completed with the exception of one figure, representing the military.

Arrangements for the celebration, whose first four days will occur in Montreal are rapidly shaping up, and it is stated that it will undoubtedly prove the great civil festival ever held in the city. His Royal Highness the Duke of Connaught will give and address at the unveiling on Sept. 7, and it is hoped that he will be able to attend the military ball on the 8th and the banquet to the delegates on the 9th.

HOME DANCING MAKES HAPPINESS IN THE HOME

LET YOUR CHILDREN LEARN TO DANCE FROM VERNON AND IRENE CASTLE'S 'Modern Dancing' THE TORONTO WORLD TO ITS READERS

THE TANGO AS IT IS NOW!

The Tango is not, as commonly believed, of South American origin. It is an old gypsy dance which came to Argentina by the way of Spain, where in all probability it became invested with certain features of the old Moorish dances. The Argentines adopted the dance, eliminating some of its reckless gypsy traits, and added to it a certain languid indolence peculiar to their temperament.

After Paris had taken up the dance a few years ago, its too sensuous character was gradually toned down, and it bloomed forth a polished and extremely fascinating dance, which has not had its equal in rhythmical allurements since the days of the Minuet. Beyond doubt, the Tango, correctly practiced, is the essence of the modern soul of dancing, the autocrat of the up-to-date "soiree dansant."
