Is the Object of This Free Prescription--Try It if Your Eyes Give You Trouble.

Thousands of people suffer from eye troubles because they do not know what to do. They know some good home remedy for every other minor aliment, but none for their eye troubles. They neglect their eyes, because the trouble is not sufficient to drive them to an eye specialist, who would, anyway, charge them a heavy fee. As a last resort they go to an optician or to the five and ten-cent store, and oftentimes get glasses that they do not need, or which, after being used a few months, do their eyes more injury than good. Here is a simple prescription that eyery one should use: 5 grains Bon-Op o. 2 ounces water. Use three or four t mes a day to bathe the eyes.

This prescription and the simple Bon-Opto system keeps the eyes clean, shargens the vision and quickly overcomes inflammation and irritation; weak, watery, overworked, tired eyes and other similar troubles are greatly benefited and oftentimes cured by its use. Many reports show that wearers of glasses have discarded them after a few weeks' use. It is good for the eyes and contains no ingredient which would injure the most sensitive eyes of an infant or the aged. Your own druggist can fill this prescription, or the Valmas Drug Co. of Toronto wait fill it for you. Try it and know for once what real eye comfort is.

There was a magnificent audience at Massey Hall last night to hear Paderewski. A few of those peaent were: Mrs. Hearst, Miss Hearst, Miss Church, Mr. and Mrs. Goulding, Dr. and Mrs. Maz-Lennan, Mrs. P. C. Larkin, Mr. Claude Fox, Dr. and Mrs. Waiker, Mrs. Richardson, Mr. A. Mrs. McClure and Miss Mollie McClure have left for Winnipeg to visit the former's sister, Mrs. McGrattan.

By a Staff Reporter. OTTAWA, Nov. 22.-The labor department is having considerable range a loan. trouble with some contractors upon government works, who are taking advantage of the war and have cut down the pay of their employes. At the new Welland Caral construction works government contracts were tendered for upon fair wage schediles approved by the labor department, but the department found that some contractors or sub-contractors paid their men less than these sched-ules demanded. Hon. T. W. Crothers has taken vigorous action by notifying contractors that unless the men were paid in full the contracts would be cancelled. This has had the desired effect, and many thousand sands of dollars of back pay have een handed over to workmen.

ANOTHER CHERNIAVSKY TRI-

The musicale given by Mrs. A. J. Small on Saturday afternoon, in Newman Hall, in connection with St. Michael's College, was another very decided triumph for the Cherniavsky Prothers and the Heintzman plano. The ba'l was crowded with a very fashionable audience, which literally went wild with enthusiasm. The piano solos of Jan Cherniavsky, including Chopin's Poloraise, brought the au-dience to their feet. The wonderful playing of Jan, combined with the exquisite tone of the Heintzman piano, made by Ye Olde Firme, which the great Russians are using exclusively on their Canadian tour, was such as a Toronto audience never heard tefore, and probably will never hear again until these three remarkable again tiltil these transfer to the same transfer to world's greatest artists.
