

## CUT YOUR OWN HAIR EASIER THAN SHAVING

### 50c Cash Given for This Ad.

PATENT PENDING

DUPLUX AUTOMATIC HAIR CUTTER

You do not need any experience or practice to use the DUPLUX AUTOMATIC HAIR CUTTER. It comes to you all ready for instant use, and even minutes after you receive it you can have your hair cut better than it was ever cut before.

The DUPLUX will cut as closely or trim as long as you wish it to. No clippers or scissors are needed with the DUPLUX; it finishes the work completely. It cuts the front hair long and the back hair short. Trims around the ears, etc. It is absolutely safe. A child of six can cut his own hair. The patent hand-made comb has a handle to fit the hand, and keeps the fingers free from the blades.

The cost of all raw materials used in the manufacture of the DUPLUX HAIR CUTTER has increased nearly 100 per cent. In a very short time you will have to pay more for the DUPLUX. The price today is \$2.00, but we will accept this advertisement from all readers of The World the same as 50c cash. Cut it out and send it to us with only \$1.50, and we will send you the DUPLUX AUTOMATIC HAIR CUTTER complete with two double-edged blades and all ready for instant use, postage paid, to any address. SEND \$1.50 and this ad. TODAY. TOMORROW MAY BE TOO LATE. Your money back in full if not satisfied.

AGENTS WANTED.

DUPLUX MANUFACTURING CO., Dept. M, BARRIE, ONT.

## VETERANS OPPOSE CHINESE LABORERS

General Executive of York County District Condemns Projected Importation.

The general executive of the York County district of the G.W.V.A. at its meeting last night, which lasted until midnight, passed resolutions strongly condemning the projected importation of Chinese labor into Canada, and decided also to call a special mass meeting of all the bodies of the association in the near future to thoroughly discuss the alien situation, all outside bodies of the city being tendered an invitation to attend and give helpful suggestions. The executive intends to take immediate and energetic action in the matter of the Chinese aliens. The committee also drafted a resolution expressing approval of the projected campaign of the York County Patriotic Association, which President Hardy and Treasurer Sampson of the G. W. V. A. are members.

The question of granting a class badge to imperial reservists was also subject to favorable resolution, and incorporated in this resolution is the determination of the executive to communicate with the War Office, view to having all the present grievances of the reservists as to badges, widows' pensions, etc., adjusted.

## KING STREET MEN FORM ASSOCIATION

Property Owners Between Yonge and Simcoe Streets Form Association for Improvement of That Section

Toronto is going to have a "Fifth Avenue Association" of its own. At a meeting in the Prince George Hotel last night, attended by about 50 merchants, bankers and property-owners on King street, a formal association similar to the famous New York organization was formed. The object of the new association is to better the condition of King street from a business standpoint.

At present the work of the King Street Association will be confined to the district between Yonge and Simcoe streets. R. T. Stanley was the prime mover for the organization and he was responsible for last night's meeting. Officers were elected as follows: President, Julian Sale; vice-president, C. J. Tidy; treasurer, J. L. Vokes; and secretary, R. T. Stanley. Three committees were also decided on. The transportation committee will look after transportation facilities in the district, will be headed by L. M. Wood. The publicity committee elected as its chairman, W. E. Barker. There is also an architectural committee, whose work is to look after the betterment of architecture on King street buildings. Its personnel is not completed.

The transportation committee is the first to get to work. It was decided last night that this committee should call on Robert J. Fleming, manager of the Toronto Railway Company, with a view to having a car-stop placed in the middle of the block between Bay and York streets.

Other work planned by the association includes the obtaining of any necessary municipal or provincial legislation to better business conditions in the district; looking after assessments to see that the district is fairly taxed and many other such matters. In any way it will follow the lines set down by the Fifth Avenue Association of New York City.

There's a Real Treat in Store for You  
When You Try

## Labatt's Special Ale

This rich, sparkling beverage trickles real joy, to the inner man. The tang of it spreads a mantle of sweet charity over the disposition, warms the very cockles of your heart, and forces the conviction that this is a pretty good old world after all. Try a bottle—or a case—and get wise to this superb brew. On sale at Groceries, Cafes, Hotels, or direct from the Brewery.

TORONTO, 108 DON ESPLANADE.

## WOMEN'S AUXILIARY INVESTS OFFICERS

Members of the Grand International Auxiliary Install Officers.

### HIGH OFFICER PRESENT

Wives of Locomotive Engineers Enjoyed a Fraternal Gathering Yesterday.

Yesterday afternoon a very interesting event took place in Colvin Hall, West Dundas street, when the two divisions of the grand international auxiliary to the Brotherhood of Locomotive Engineers installed their officers for the ensuing year.

The G.I.A. was founded and organized in Chicago 30 years ago by Mrs. W. A. Murdoch of Chicago, who is still the grand president. Only locomotive engineers' wives whose husbands are B. of L. E. are eligible for membership. A distinctive feature is the voluntary relief association, nearly 25,000 women, mostly in Canada. The organization is in Canada and the United States, the head office in Chicago, the membership is 35,000.

Divisions are located all over Canada, the grand vice-president and Canadian organizer is Mrs. John Mains of 59 Lakeview avenue, Toronto. Mrs. Mains has charge of all

Mrs. J. Martin Mrs. J. H. Galvin

Mrs. J. H. Galvin, grand vice-president of the International Auxiliary of the Brotherhood of Locomotive Engineers, is official organizer, Mrs. J. H. Galvin was last night installed as vice-president of division 368, and Mrs. J. Martin as president.

work in the Dominion and visits once each year from coast to coast to inspect and instruct the members.

There is a pension fund connected with this organization for all the widows and orphans of the deceased members.

Toronto's two divisions are known by number, 161 meets at Oddfellows Hall, Bathurst street, and 368 meets in Colvin Hall, Dundas street. This is a fraternal and a social organization, and its growth is rapid and healthy.

Installation ceremonies. Installation was held yesterday, the installing officer being Mrs. H. Bonshill, assisted by Mrs. M. Coderell as marshal. A banquet followed the ceremony. The officers installed were: Past president, Mrs. H. Bonshill; president, Mrs. J. Martin; vice-president, Mrs. J. Galvin; secretary, Mrs. W. Campbell; treasurer, Mrs. J. Paul; guide, Mrs. E. Wagner; and Mrs. E. Murphy; musician, Mrs. E. Wright; creche marshal, Mrs. J. Mains; star marshal, Mrs. G. Johnson; sobriety, Mrs. J. McCann; truth, Mrs. M. Coderell; justice, Mrs. J. Kirby; morality, Mrs. J. Dunn.

Division 368 has a membership of 65. Ever since the war started the members have been doing war relief work and sent hundreds of pairs of socks to the trenches and sent a box of comforts every three months to the soldiers.

## ROCKS ARE FOUND IN COAL CELLARS

So Declares Resident, Who Thinks Methods of Coal Handling Would Stand Investigation.

In reference to the coal question, The World has received from George R. Ellis, president of the Earlscourt citizens' committee, the following letter:

"Mr. Kerr, the purchasing agent of the board of education, commenting on the charges made by myself at a recent meeting of the taxpayers' association of the poor quality of coal supplied the schools, endorses my charges when he says we are getting the best we can. Moreover, he says, I think that any person could go to any cellar at present and find stones, chunks of rock and such like along with their coal, and what we have purchased is of very poor quality.

"So far so good. It would be interesting to the taxpayer to know from whom the coal was bought, and the price paid for it, stones, slate and rocks can be found in the coal now in the citizens' cellars, supplied by our reliable coal merchants, whose merchants can explain. The taxpayers should demand an investigation into this coal matter. School affairs in the past and at present are a burning question with the taxpayer."

### KITCHEN STOVE CAUSES FIRE

Fire caused by a stove in the kitchen left burning did damage to the extent of \$1500 to the house and store of Thomas Hobbins, 183 Mount Pleasant road, North Toronto, last night. The firemen arrived immediately after the alarm was turned in, but the flames had a good grip on the structure, which was of framework. The damage was done between the building and the contents. The building was completely gutted.

## REGISTRAR HOLDS CALL TO DRAFTEES

No More to Be Summoned For Few Days in Toronto.

There was no reporting of the drafted men to the colors at Exhibition Place yesterday, the registrar having decided on a few days' intermission. It is reported that the next dates set for the mobilizing of the drafted men in Toronto are Jan. 18, 19, 21 and 22.

One explanation of the let-up in the calling of the draftees is that it will permit of a concentration of effort upon the task of apprehending the men already notified who failed to report.

Hundreds of the drafted men who have answered the call were drilling yesterday on the parade grounds at Exhibition Park.

A pleasing event at the Davisville Convalescent Hospital yesterday afternoon was the presentation by Lieut.-Governor Sir John Hendrie of the distinguished conduct medal to Pte. Allen Bruce Davies of the 81st Battalion for conspicuous gallantry and devotion to duty. He rescued many wounded men under fire. His fine personal example and utter disregard of danger had a most inspiring effect upon all ranks with whom he came in contact. He reads the official account of his heroism. His bravery was so outstanding that his commanding officer recommended the award of the Victoria Cross. The war hero, Pte. Davies received caused the loss of his left leg and permanently damaged his right arm. He is a native of Leith, Scotland. The ceremony at the Davisville was attended by General W. A. Logie, Lieut.-Col. A. Fraser, Lieut. Christopher Clark and Major W. C. M. Macfarlane.

Military orders of yesterday draw attention to the clause in the Official Secrets Act which states: "If any person holding official positions, and the safety of the state communicates any sketch, plan or article, or information which is calculated to assist the enemy, he shall be guilty of felony and liable to penal servitude of not less than three or more than seven years."

Another order warns officers and other ranks against procuring letters to be written in their behalf by persons holding official positions, and terms the utilizing of such correspondence "a reprehensible practice."

Those other than Canadian who are in the military service were accepted yesterday by the Toronto mobilization centre. The Royal Flying Corps led in the acceptance of men. The Central Ontario Regiment enrolled 20, Canadian Engineers 2, forestry corps 2, and the hospital commission 1.

At Government House on Sunday the lieutenant-governor will present the Military Cross to Major Howard B. Jeffs, awarded "for bravery and devotion to duty." He is a son of Dr. W. H. Jeffs, 2761 Yonge street.

## GIVES EXEMPTIONS TO FARMERS' SONS

Central Appeal Judge Provides for Supervision of Men's Work.

Ottawa, Jan. 11.—The position of the farmer under the Military Service Act is again considered by the central appeal judge in a series of rulings, the text of which is now available. The application of G. B. Park of Hamilton, Man., is a case in point. He is a farmer, 22 years of age, living near Hamilton with his father. There is a family of four sons. The applicant and one of his brothers lives at home with his father; one brother lives on a farm a mile and a half south, and another lives on a farm one mile east and is married. The two unmarried brothers are exempt. Each of the farms is a half-section.

As already announced, Hon. Justice Duff granted exemption until June 1. In his formal judgment he states: "The conclusion of the learned appeal judge that the applicant's work is not strictly necessary to enable cultivation to be carried on in the manner heretofore pursued seems probably correct, but the applicant is a competent farmer, and is, and has been, actually and habitually engaged with his father and brothers in cultivating the father's property. The family should have an opportunity of the exemption period he may apply for an extension of the period, when the actual preparations made for the work of the season 1918 can be considered, and the period extended, if it be thought just, until the end of the year. It may be observed that if a further investigation of the facts during the exemption period is required, the exemptions already granted to the unmarried brothers may be reviewed."

Mr. Park, a farmer, of Beulah, Man., Application was made by the man's employer. The employer owns a section of land, 277 acres of which were

# UNION BANK OF CANADA

## 53rd Annual Statement---30th November, 1917

The Fifty-third Annual Meeting of the Shareholders of the Union Bank of Canada was held at the Head Office of the Bank, in the City of Winnipeg, at twelve noon, on Wednesday, the 9th instant. The President, MR. JOHN GALT, in the chair.

### Report of the Directors

The Directors have pleasure in presenting their report showing the result of the business of the Bank for the year ending 30th November, 1917.

During the year a branch of the Bank has been opened at Elkhorn, Alta., and an agency in the City of New York, U.S.A. Five branches of the Bank, which were not giving satisfactory results under present conditions, have been closed as follows: Grimsby, Ont., Robart, Sask., Glacier, Vanderhoof, and Vernon, B.C. The number of Branches and Agencies is now 308. The usual inspection of head office and all branches and agencies of the bank has been made.

JOHN GALT, President.

JOHN GALT, President

H. B. SHAW, General Manager

## Report of the Auditors to the Shareholders of the Union Bank of Canada.

In accordance with the provisions of sub-sections 19 and 20 of Section 56 of the Bank Act, we report to the Shareholders as follows:

We have audited the above Balance Sheet with the books and vouchers at Head Office and with the certified copies of the books of the branches.

We have obtained all the information and explanations that we have required, and are of the opinion that the transactions of the Bank which have come under our notice have been within the powers of the Bank.

In addition to our verification at the 30th November, we have, during the year, checked the cash and verified the securities representing the investments of the Bank at its chief office and principal branches and found them to be in agreement with the entries in the books of the Bank relating thereto.

In our opinion the Balance Sheet is properly drawn up so as to exhibit a true and correct view of the state of the affairs of the Bank, according to the best of our information and the explanations given to us, and as shown by the Books of the Bank.

Winnipeg, 18th December, 1917.

under cultivation and 250 acres in crop during 1917. He harvested his crop in 1917 with the assistance of Matheson and a foreigner for two weeks at harvest.

Exemption was granted until June 1. As in the previous case, the applicant will report his plans before May 1, and may apply for extension of the period of exemption.

## LA PRESSE BACKS UP LARIVIERE MOTION

Leader of Montreal Council Supported in Resisting "Insults" to French-Canadians.

Montreal, Jan. 11.—La Presse says that Ald. Lariviere's motion in the city council here protesting against the columns and insults launched against the Province of Quebec by certain factions of the English provinces appears to be quite just on the whole.

"At Quebec and at Montreal," says La Presse, "the object of the Francoeur and Lariviere motions is the same, which is to clearly expose our people in calling attention to the insults and to judge the rights of the French-Canadian Catholics receive at their hands, as well as to the treatment measured out to the English Protestants of this province. Whatever in fact may be the fate of either the Francoeur or Lariviere mo-

tions the discussion provoked will not leave in vain.

"It must also be established that one takes as serious the threat of isolation against Quebec, heard so often during the recent electoral battle, and also that our province has never sought to dominate the rest of the Dominion. What we want is to live in peace, with our rights and institutions, in a country which our ancestors were the first to occupy."

## RECEIVED MONEY AND DISTRIBUTED IT

Treasurer of Carleton County, N. B., Testifies at Valley Railway Investigation.

St. John, N. B., Jan. 11.—Three witnesses were heard at today's sessions of the Valley Railway inquiry, R. B. Emerson, of St. John, at the morning session, and I. W. Kierstead, of Moncton, and Wallace Gibson, of Woodstock, at the afternoon session.

Mr. Emerson testified that he was a member of the finance committee for St. John City, but all the money he had any knowledge of, or handled, was some few collections which he had made and handed over to the treasurer.

Mr. Emerson testified that he was a member of the finance committee for St. John City, but all the money he had any knowledge of, or handled, was some few collections which he had made and handed over to the treasurer.

Mr. Gibson was treasurer for the County of Carleton, and as such had received \$8000 from Mr. Bell, which he had distributed among the various parishes. Some had been given to a man named Pomphrey, who lived in Bath, or Florenceville; some, he thought, to Robert

## Close Woodstock Armories

Only the Wing Occupied By the Caretaker Will Be Heated.

Special to The Toronto World.

Woodstock, Ont., Jan. 11.—Mayor West this afternoon called up divisional military headquarters at London by telephone, and asked whether, in view of the coal shortage here, and of the fact that two tons of are issued every week to heat the local armories, which is occupied only by a caretaker, the armories might not be closed altogether.

Headquarters announced willingness to discontinue heating the building, except to the extent necessary to keep the pipes from freezing, and to use gas for this purpose. Later in the day the change was carried into effect, and for the remainder of the winter only the wing occupied by the caretaker, which is where all the water pipes are situated, will be kept heated.
