GERMAN HORDES CONTINUE FIGHT

British Position Slightly Improves—Last Enemy Gain Quite Small.

With the British Army in France, April 14.—German hordes Saturday morning continued to deliver sledgehammer blows in the Baillieu and Merville sectors in an attempt to break thru and gain possession of the important railway junctions of Hazebrouck and Aire, but the British were still hanging doggedly to the gateways leading westward. After a night of desperate fighting there was no great change in the situation since Friday evening, but the position of the defending troops seemed to be more cheerful.

The enemy's greatest gain was just to the southwest of Baillieu, where he pushed his lines forward by heavy attacks to the line of the Hazebrouck-Baillieu railway. Throughout the afternoon and night the Germans kept hurling troops against this point in an attempt to force the British from Baillieu, but the latter held the town and along the railway, and the enemy got only as far as Merris, which represented a gain of perhaps a thousand yards.

DOWN FURNACE PIPES, GASOLINE FIRES GARAGE

London, Ont., April 14.—The Ontario Garage, containing fifty cars and large quantities of oil and gasoline, was completely destroyed by fire last evening. The loss is \$100,000. The company's loss of about \$60,000 is fully covered by insurance. The stock included thirty-five brand new cars belonging to the firm, and fifteen autos belonging to local doctors and business houses, which were kept in the garage. There was no insurance on many of these.

The fire started when a tourist from Windsor, after refilling his gasoline tank, which was on the rear of the car, swerved a little to the inside in backing out and hit the door. The tank burst and the gasoline poured over the floor, and running down the register and furnace pipes, immediately ignited. In less than forty minutes the whole of the structure was gutted and the firemen had a hard fight to keep the flames from licking up adjoining stables. The garage is owned by Dr. Stevenson, T. H. Luscombe, the bookkeeper in the garage, tried to get the books in the safe, but the fire spread so quickly that he was unable to do so, and had his face badly scorched.

KAISER ACCEPTS WORD OF CHARLES

Solidarity of Interest Exists Between Germany and Austria.

Amsterdam, April 14.—The German Emperor's telegram to Emperor Charles of Austria reads: "Accept my heartfelt thanks for the letter, in which you repudiate the assertion of the French premier regarding your attitude towards the French claims on Alsace-Lorraine as entirely baseless, and once again accentuate the solidarity of the interests which exist between us and our empire. I hasten to tell you that in my eyes there is no need whatever for such assurance on your part, for I have not for a moment been in doubt. You have made our cause your own; in like measure we stand for the rights of your monarchy. The heavy battles in these years clearly demonstrate this for every one who will see. They have only drawn the bond closer. Our enemies, who are unable to do anything against us in honorable battle, do not recoil from the most sordid and lowest means. We must put up with that."

BRITISH BOMBARD FLANDERS COAST

Ostend Attacked by Monitors—Zeebrugge Raided by Aircraft.

Berlin, via London, April 14.—An official statement issued last night says: "British naval forces, consisting of monitors, torpedo craft and aircraft, attacked the coast of Flanders Thursday night. Ostend was bombarded with heavy calibre guns, and aircraft bombed Zeebrugge. The attacks were beaten off without trouble by our batteries. There was no damage."

A torpedo boat approaching Ostend was set afire and the crew abandoned it. We captured the boat with its complete equipment."

London, April 14.—With reference to the German official statement claiming that in the attack on the coast of Flanders a British torpedo boat was set afire and captured by the Germans, the admiralty says that only one small motor boat is missing.

SHOULD INDEMNIFY VICTIMS' FAMILIES

Quebec, April 14.—The jury in the inquest on the death of the four civilians killed during the rioting at Quebec on Saturday, returned the following verdict in the case of Honore Bergeron, one of the victims, which is the same as the other three verdicts:

"Honore Bergeron was killed by a bullet fired from a rifle by the soldiers of His Majesty, while performing the duty of suppressing a riot at the corner of St. Valier, St. Joseph and Bagot streets, in the evening of Monday the first of April. The jury is of the opinion that, considering that the persons killed on that occasion were innocent of any participation in the said riot, which owed its origin to the tactics and grossly unwisdom fashion in which the federal police in charge of the execution of the Military Service Act towards the absentees did their work, it would be the duty of the government to reasonably indemnify the families of the victims, who have been found innocent and unarmed, also to pay indemnities to all who suffered damages from that riot. The jury expresses its deepest regret that the good reputation of the peaceful and law-abiding citizens of St. Roch and St. Simeon has been put in doubt thru the light-headed acts of young boys and of a few ill-intentioned men who were probably strangers to the city, and attempted to benefit by the trouble here."

Inspector Storie of the provincial police has called all his men onto the scene, which is two and a half miles from Espanola and in a French Canadian community.

doubt thru the light-headed acts of young boys and of a few ill-intentioned men who were probably strangers to the city, and attempted to benefit by the trouble here."

ORGANIZED GANG SHOOT POLICEMAN

Dominion Officer McLeod Mortally Wounded Near Sudbury.

Sudbury, April 13.—Dominion Police Officer George McLeod was shot in the body and legs on Friday night when he attempted to round up a French-Canadian named Whissel, near Espanola, under the Military Service Act. The affair occurred at 1 o'clock, and it was 8 o'clock Saturday morning before medical aid reached him. McLeod has made several trips into the district to round up Whissel, and was apparently attacked by an organized gang, in which it is said the women took a hand and incited the men to violence.

POOR CROP OF SUGAR

Quebec, April 13.—Reports from the various sugaring districts around Quebec indicate a rather poor crop of all maple products this year.

With the American Army in France, April 14.—After another night of terrific artillery fire and a bombardment with gas shells, the Germans continued Saturday their efforts to drive thru to the third line of the American positions near Apremont Forest, northwest of Toul. They made two attacks, both of which failed. The enemy's casualties in the four days' fighting are estimated at between 300 and 400.
