The Wabash Railroad Company
With its superb and magnificent new
train service, is now acknowledged by
all travelers to be the most perfect
railway system in America. It now
runs four trains each way daily, between Buffalo, Chicago, St. Louis and
Kansas City, passing through Niagara
Falls, Welland, Simcoe, Tilsonburg, St.
Thomas, Chatham and Detroit. The
"Continental Limited" is the most beautiful train ever seen in this country, all
its cars have the new modern wide
vestibule. All Wabash passengers trains
have free reclining chair cars. Full
particulars of this wonderful railroad
from any R. R. Agent, or J. A. Richardson, District Passenger Agent, Northeast
corner King and Yonge-streets, Toronto
and St. Thomas, Ont.

Boart Dillon, 34th Battalion, was tremendously encored when he roasted the
G.T.R. service as a great hindrence to the
success of the meet. Several of the speakers expressed the hope that before the next
meet the electric railway would be running
to the ranges.
Capt. Currie of the Highlanders, ever
wide awake, followed up his criticism of
"belly shooting," and took the ground that
competitors should be compelled to do
more shooting in a kueeling posture.
Among distinguished officers present were
Lieut.-Col. Otter, Lieut.-Col. Buchan, Lieut.Col. Aylmer and Lieut.-Col. Cosby.

The third day of the O.R.A. meet, with its delicious weather, drew more city visitors to the ranges than all the other days combined. The wind, however, proved tricky, and a number of fine shots who were looking for scores of 22 or 30, did not reach the 20's. There' were, however, some notable exceptions. Surgeon-Major Ross made a possible at 20 yeards in the Taits Braisey, as did Lieut. Monroe and Corp. Carson at the 500 range.

Serst. Swaine of the Lith Kingston caused a big ripple of excitement at the rapid dring ranges in the Toronto Relivary Corporation match, by pumping in 15 shots in a minute with a score of 36 or bolist. It included seven bullseyes, four mares and five mappies. Experts looking or declared it something extraordinary.

At the Industrial Exhibition this year there will appear one of the most unique attractions that have been provided entertainment for visitors to the Fair. This is in the person of an Indian chief as master of the planoforte. He will appear daily during the Exhibition, dressed in all the glory of a natural born Indian chief, from whom he is directly descended, tracing his lineage back to Chief Brant, famous in Canadian history as a hero of an early date, and it is saying no small thing for the R.
