

# It's Dead Easy

It is not often that you require to remove the rear wheel of a Planet bicycle, but when you do you find it the simplest thing imaginable.

## A NEW IDEA

Introduced in this year's Planet makes it unnecessary to take the chain apart. Instead you simply unloosen a nut with your thumb and fingers, turn the wheel around and the chain is off. It is a simple little time and labor saver that adds to the pleasure of wheeling. Come down and see it; you will appreciate it.

### NEW PLAYER FOR TORONTO

Third Baseman Dundon, Late of Syracuse, to Take Cockman's Place at Short.

### HANNIVAN GOES IN THE TRADE

Bannon to Play Centrefield and Rothfuss Right-The Baseball Record.

An odd single here and there on Saturday would have beaten Hartford, even with Barnie's big start. The Williams was with game so far show that Toronto is well off for pitchers and catchers. A little better fielding in spots and a little more all-around batting would have turned four of the five games into victories. Manager Barrow reports the first change in the make-up. Hannivan is going to Sprague and Frein's third-baseman, Dundon, according to the trade, will play short for Toronto this afternoon. Will all the vacancy in centre field and Rothfuss will go to right. This move, however, might prove a winning combination. The game this afternoon will be Toronto against away from last place. The record: Toronto..... 14 5 709 Springfield..... 10 6 623 Montreal..... 10 6 623 Providence..... 9 7 563 Worcester..... 9 7 563 Syracuse..... 7 9 437 Hartford..... 6 12 320

### The First for Hartford.

Toronto lost to Hartford Saturday at the Toledo and it will take the next two games to get out of last place. Williams' win, however, puts him by the two shortest, and Hannivan's hitting were noticeable incidents of the five innings at Hartford's expense. The bad first innings gave the game to the enemy.
