IN NAME ONLY

Is There a Difference Between Deadly
Consumption and

CATARRH

Though catarrh and consumption are looked upon as very different diseases, consumption is really catarrh of the lungs.

Consumption is the natural result of neglected catarrh, which eats its way along the air passages until it enters the lungs and begins its ravages there. Catarrh can be cured in a few weeks or months at the longest by using Dr. Chase's Catarrh Cure.

Soothing and healing in its effects, Dr. Chase's Catarrh Cure is wonderfully effective as a cure for catarrh. It cleanses the air passages, relieves the pressure, which causes headache, stops the droppings in the throat and prevents consumption.

Dr. Chase's Catarrh Cure is the only 25-cent catarrh cure, with blower included, and is sold by all druggists, or Edman, Bates & Co., Toronto.

Cyclists' Sore Throat.

The London "Lancet," the leading medical journal of England, says: "After a spin along a more or less dusty road the cyclist sometimes experiences a dry and subsequently sore and inflamed throat. Headache and depression often follow, and the symptoms generally simulate poisoning of some kind. When the germs to be found in road dust are considered, these effects are hardly to be wondered at. Hundreds of millions of bacteria are found in a gram weight of dust, and the species isolated have included well-known pathogenic organisms. Indeed, there can be no reason for doubting the infective power of dust."

This applies to people in perfect health. To those with weakened, inflamed throats and bronchial tubes the danger is infinitely greater. When the first symptoms appear take Shiloh's Cough and Consumption Cure, which is sold by druggists under a positive guarantee that the money will be refunded if it fails to cure. 25c., 50c. and \$1 a bottle in Canada and the United States. In England, 1s.2d., 2s.3d. and 4s.6d.

OLD QUEBEC
WAKING UP

Getting Trade Which Used to Pass Her Doors—Harbor Facilities.

Quebec, Jan. 19.—Quebec seems to be waking from its long sleep, and is trying to get some of the trade which passes its doors. Recently the harbor board granted an exemption from harbor dues to any ocean steamship line which would make it a regular port of call, and the energetic Elder-Dempster line at once made a contract. On Saturday the board gave permission to the Great Northern Railway to erect on the quay an elevator with a capacity of 1,000,000 bushels to be finished by May 1, 1900. It is needless to say that the citizens were delighted with Sir William Van Horne's speech on Saturday night, regarding a fast Atlantic service with Quebec as a terminus.

KIPLING DUNNED

The London Times Got Anxious About Its Jubilee Ode.

Mr. Kipling thus describes how he came to write a "Recessional": "That poem gave me more trouble than anything I ever wrote. I had promised the Times a poem on the Jubilee, and when it became due I had written nothing that satisfied me. The Times began to want that poem badly and sent letter after letter asking for it. I made many more attempts, but no further progress.

"Finally the Times began sending telegrams. So I shut myself in my room, with the determination to stay there until I had written a Jubilee poem. Sitting down, with all my previous attempts before me, I searched through those dozen of sketches, till at last I found just one line that I liked. That was 'Let us be wiser.' Round these words 'The Recessional' was written."—Boston Globe.

DOG FASTED TWENTY-THREE DAYS.

St. Catharines, Jan. 18.—On Dec. 22 Mr. H. H. Collier, of this city, lost a valuable red and white setter dog. He advertised the loss, and offered a liberal reward for its recovery. On Sunday, while walking in his yard, he heard a low whine, and on investigation found the dog locked up in the unused carriage house, where it had been for over 23 days without food or water. When found it was still alive, but a mere skeleton of skin and bone. By careful feeding the dog is now about as good as new, and will recover from its long fast.

REDWAY'S SARSAPARILLIAN RESOLVENT, a remedy composed of ingredients of extraordinary medical properties, essential to purify, heal, repair and invigorate the broken down and wasted body. Quick, pleasant, safe and permanent in its treatment and cure.

Radway's Pills

Always Reliable, Purely Vegetable.

Perfectly tasteless, elegantly coated, purge, regulate, purify, cleanse and strengthen. RADWAY'S PILLS for the cure of all disorders of the Stomach, Bowels, Kidneys, Bladder, Nervous Diseases, Dizziness, Vertigo, Constipation, Piles.

Sick Headache, Female Complaints, Biliousness, Indigestion, Dyspepsia, Constipation and all Disorders of the Liver.

True Comfort for the Aged and Others afflicted with Constipation and Paralysis of the Bowels.

One to three of Radway's Pills, once in twenty-four hours, will secure regular evacuation from the bowels. Persons who, for 20 years, have not enjoyed a natural stool, and have been compelled to use injections, have been cured by a few doses of Radway's Pills. Persons advanced in life often suffer from indigestion and from paralysis or inability to evacuate from the bowels. Likewise from urinary difficulties. We have the evidence of a large number of aged persons, from 70 to 80 years of age, who have been cured of this defect who were compelled to resort to injections to empty their bowels by the use of Radway's Pills. Two or three pills every night, in cases of natural evacuation from the bowels and a regular flow of urine. In cases where there is irritation of the bladder, the Resolvent should be used alternately with the Pills. If these organs are kept regular, life may be extended to a much longer period. By keeping the Liver, Stomach, Bowels and Kidneys in a healthy condition, the blood will continue pure and dissolution checked. This great desideratum is within the reach of all by the use of Radway's Pills and Resolvent. Dr. Radway's Pills in persons of advanced age, hasten dissolution; irritates and wears out the bowels and coats of the stomach, destroys the absorbents, so that these vessels are incapable of assisting in the repair of the body's waste. If Radway's Pills and Resolvent are used by the aged, life will be prolonged to the full measure of time. Another great end is secured by nourishing the body with these remedies—the faculties will remain in a healthy condition. A weak, feeble and decaying body enfeeblies the intellect and clouds the brain.

Price 50c per box. Sold by Druggists or Sent by Mail. Radway & Co., 7 St. Helen street, Montreal.

Be sure to get "Radway's" and see that the name is on what you buy.
