LIVE CATTLE MARKETS.

OLD COUNTRY PRICES.

London, July 3.—Cattle are quoted at 10c to 11c per lb; refrigerator beef, 8c to 9c per lb; sheep, dressed, 12c to 13c per lb.

TORONTO.

Toronto, July 3.—The run at the city cattle market today was 79 loads, with 1,300 head of cattle, 112 sheep and lambs, 390 hogs and 29 calves.

The market is off this week from 36c to 37c from last week's prices. Trade was very dull and there were a good many cattle left unsold at the close of the market. While the bulk of the cattle offered are of good quality, there were some down considerably from their recent high levels.

Many of the local butchers who bought pretty heavily last week for the holiday trade are not in the market today, being well supplied for the present, and looking for lower market prices. The export trade was off in sympathy with the old country markets, which show no sign of being higher for some time.

In the sheep market prices were about steady, with a rather strong demand. The hog market is steady firm, at last week's prices.
