Hundreds of Trains in Canada Will Be Dropped When Cut Is Made.

TO ABOLISH COMPETITION

All Competitive Runs Will Disappear From Schedule, Say Railroaders.

When the cut in train service is made effective throughout Canada on February 3 it is believed that it will be found that there will be but one train a day on all branch lines. On the main lines there will of necessity be a heavier service to care for the local and the branch international traffic but gated sheets, eavestrough, conductor pipe, metal shingles, metal cellings, large sizes of common bar steel and spring steel. Declines in some commodities mentioned have been due to a desire to foster trade scared away through high prices. Advances in regular hardware lines have been numerous during the week in spite of the lower tendency in some of the commodities.

COMMENDS ECONOMY.—The Real Estate Owners' Association, at its meeting on Friday, boosted civic economy. One of the weekly resolutions was: Resolution of the weekly resolutions was: Resolution of the weekly resolutions was: Resolution of the weekly resolutions was: Resoluted that in the conjoin of this association and through international traffic, but the service today. It is understood that all competitive will be brought up at the next meeting of the Great War Veterans, recommending that an amendment to the recent order be passed so that no disscribing on Friday, boosted civic economy. One of the weekly resolutions was: Resolution the conjoin of this association at its meeting of the service of another. One is practically a duplication of the other. Where two lines can give the same service the traffic is to be divided up and each line allowed an equal share of the business.

Halifax.

Before the disaster for a considerable length of time the work of Sir Frederick Fraser and the School for the Blind in Halifax was already well known in London. Some of the chapters of the I. O. D. E. had taken up help for the school with special interest. Mrs. Allan McLean, regent of the Princess Patricia Chapter, has acted as treasurer for a relief for the blind fund, while the regent of the Lord Roberts' Chapter, Mrs. E. B. Lord Roberts' Chapter, Mrs. E. S. Lord Roberts' Chapter Ro from the firing line, where he won the coveted Military Cross.

It is seven years since Capt. Appleyard became rector of St. Matthew's Church, and during that time the parish has made good progress. The church debt has been paid off, and a rectory purchased, with only a small balance still owing. Capt. Appleyard's work among the men of his congregation has been prominent. In the women's work, Mrs. Appleyard has been exceptionally active.

Friday evening a number of the members of the parish met at the home of Thomas Fox. 106 Rectory street, and presented Capt. Appleyard with a handsome electric reading lamp. The retiring rector expressed his appreciation of the co-operation given him during his incumbency of the charge. On behalf of both Mrs. Appleyard and himself, he thanked the congregation for the magistrate for the remark.

Edward Arnold, whose home is in

three seafed bottles of whiskey, a clean cowar and a handkerchief.

Arnold said he was searching for a hotel, intending to take an early morning train today for his home. He will have to pay \$200 and costs or remain at the county jail for the next three months.

Gordon Hanlon, Stratford, went into the box in his own defence, and swore a friend had given him a bottle of whiskey as a present to convey to his key as a present to convey to his convergence of the returned officers who was present.
