MONTREAL CATTLE MARKET.

Montreal, June 18.—At the Montreal stock yards, west end market, the receipts of live stock for the week ending June 18 were, 675 cattie, 200 sheep and lambs, 1,875 hogs and 2,175 calves.

The supply on the market today for sale consisted of 600 cattle, 125 sheep and lambs, 700 hogs and 1,000 calves. The tone of the market for good useful cattle was steady, as the trade was fairly active, with sales of full loads of choice steers at \$11 to \$11.25, and odd lots of paicked stock at \$11.50 per cwt.

Prices of sheep and lambs scored another sharp decline of \$1.50 per cwt., which was due to large stocks of frozen lambs and mutton and light demand for fresh supplies. Sales of ewe sheep were made in small lots at \$8.50 to \$9, and yearling lambs were also \$1 to \$2 per head cheaper at \$6 to \$8. Choice lots of calves sold at \$11 to \$12 per cwt., with a few extre choice at \$12.50.

Hog prices scored a further decline today of 25 cents per cwt., a net reduction since this day week of 50 cents, with prospects of them going still lower in the near future. On account of the increased percentage of sows coming forward of late, packers have decided to make a cut of \$3 per cwt. for them, instead of \$2 as heretofore from this date. A fair trade was done in selected lots at \$15.50 to \$16, heavy weights at \$14.50 to \$15; sows at \$13.50 to \$14, and stags at \$9 to \$10 per cwt., weighed off cars.

Butchers' cattle, choice, \$11 to \$11.50; butchers' cattle, medium, \$9 to \$10; but-
