EATON'S DAILY STORE NEWS

At Yonge, Queen and James Streets doors are order boxes, where orders or instructions may be placed. These boxes are emptied at 8.20, 9, 10 a.m. and 1, 4 and 4.40 p.m.

Telling of the Smart New Modes in Fabrics and Garments

3-Light Fixtures at \$7.50. The fixture alone at this figure was ial value, but to make the barextra attractive shades were led, but the price retained. It is attractive brush brass fixture of field design, in Flemish finish. It has cast arms extending from body, three sockets are suspended by chain links, with amber Sheffield design bell shades. Special, \$7.50.

Brush Brass Wall Brackets, suitable for halls and bedrooms, fitted with etched bell shape shade. Special price, \$1.25.

Velours, Sale Price, Per Yard, 95c.

Few drapery farries have the rica appearance of velcars, whether used portieres, valances, door hangings. helsterings or for cushion covers. Therefore this bargain should create usual interest for Tuesday, espetally when this is offered at less than till price. It is a good quality velours, ith beautiful, rich pile, and is in wanted colors: green, rose, light and dark blue, mulberry, grey, crimson and terra cotta. See Yonge Street window and come early. Sale price, Tuesday only, per yard, 95c.

Other Interesting Sale Offerings.

Rope Portieres for single doors and mall archways; \$ ft. wide by 7 ft. long, made of a good quality of che-nile with valance centre and hanging ropes on either side. Each rope is finished with large tassel; good range of colors, including light and dark shades of red or green, dark brown, and some two-toned color effects in red and green and brown and green.

A few pieces of nets selected from some of our best selling lines and placed on sale at a big reduction. About half a dozen patterns of effective figured designs. These nets are all finished both sides with net edging and are in ivory and early ward 480.

Fine Nottingham Lace Curtains, 45 to 52 inches wide, 2% and 3 yards long, white only, in a good assortment of plain floral medallion and allover effects. Pretty curtains for sitting-room or bedroom. Tuesday, per pair, \$2.00.

wide, in light and dark grounds, all-over fioral patterns, in a good range of color combinations. A chance to make new curtains, valances, slipovers, etc., at a saving. Per yard, 28c.
—Fourth Floor.

Let the Shopping Service Help You With Your Shopping Problems

Continuing the Autumn Showing of Fashionable Suitings and Coatings

Shown in a Charming Range of Shades for Suits, and in Soft Pastel Colorings for Afternoon and Evening Wraps. Furthermore, the Prices Are Mostly the Same as Last Season, Which is a Notable Fact and Worthy Your Consideration

For Tuesday we are featuring also other suiting weaves and heavier coating materials procurable in the season's popular shades.

In Suitings—Handsome Broadcloth Suitings, in smooth, even finish, 48 inches wide, may be had in taupe, burgundy, deer brown, nigger brown, green, rose, navy and black. Per yard, \$2.75.

A heavier quality Broadcloth and of a finer weave is available in taupe, bamboo, asphalt and elephant grey, burgundy, maroon, olive, deer brown, navy and black, 50 and 54 inches wide. Per yard, \$3.50.

Silverton is a new suiting which is receiving high favor—a material which is a velours woven with a silvery thread—and is obtainable in greys, greens, browns, taupe, burgundy and navy; 54 inches wide. Per yard, \$4.00.

Duvet De Laine, a fine weave of velours de laines, is shown in beetroot, burgundy, taupe, deer and java browns, balsam green, navy and black; 54 inches in width. Per yard, \$3.50.

Broadcloths for evening or afternoon wraps are to be had in such soft pastel shades as lime green, maple, pearl lilac, jasmine, blossom and primrose; 50 inches wide. Per yard, \$5.00.

In Coatings—Reversible Burella Cloths, in a heavy weave, plain on one side and in plaid design on the other, are procurable in taupe, gold, tan and billiard green; 54 inches wide. Per yard, \$5.00.

Gunnieburl, a delightful material in heavy basket weave with a velours finish, is a favorite choice, and is to be had in taupe, beetroot, brown, green and black; 54 inches wide. Per yard, \$4.00.

A heavy quality of Silverton, 54 inches wide, is obtainable in a splendid array of shades, including the fashionable taupe and beetroot. Per yard, \$5.00.

A Preliminary Showing of

Superb Coats in Hudson Seal (Seal Rat)

Swagger Models in Lustrous Seal Rat, Made Less Flaring Than in Former Seasons. Yet Generously Full and Falling in Ripples From the Shoulders. RE your thoughts already turning to the purchase of a new fur coat? Then, you will be interested in these fashion-able coats of Seal Rat, or, as it is otherwise known, Hudson

This richly beautiful peltry bids fair to outrival all other furs in the new Winter coats. Kolinsky, opossum, lynx, sable and ermine are used for collars and outs on several of the models, some having bands of the contrasting fur around the bottom as well. Here are descriptions and prices:

At \$295.00 is a magnificent coat of Seal Rat in full, loose style, with a huge shoulder collar and deep cuffs of Kolinsky. There are two slashed peckets banded with the same fur, and the coat is lined with brocaded rose silk. Length 45 inches, with a sweep around the bottom of 108 inches. At \$285.00 is a model falling straight from the shoulders and fashioned with a wide belt at the back. The large square-front collar and ouffs are of sable, and the brocaded silk lining is made with a deep pouch pocket. Length, 45 inches. Sweep around the bottom, 106 inches.

At \$275.00 is an attractively designed coat, slightly fitted at the waistline with a belt attached. The collar and cuffs are of opossum, and the bottom is finished with wide band of same. This model is lined with rose and grey striped pussy willow silk, and is 45 inches in length. Measurement around the bottom 102 inches. At \$225.00 is a plain coat of Seal Rat, with collar and cuffs of self and a lining of figured blue silk. The skirt is amply full, measuring 108 inches, and the length is 45 inches.

At \$215.00 may be had a coat trimmed with collar and cuffs of natural lynx. A lining of dainty flowered adds to the general appearance, and the coat is 42 inches long, with sweep of 82 inches. At \$210.00 is a smart coat having a huge collar and deep cuffs of beaver. The lining is of grey and rose silk, and the coat is 42 inches long. The sweep around the bottom is 92 inches.

—Third Floor, Yonge and Albert Sts.

T. EATON CO.

HERE is grace in every supple fold of the satin or soft silk frock, and . the designers, recognizing its dignity and charm, have raised it

to the zenith of popularity this season.

One sees, in the main, subdued colorings, although soft rose shades are offered in afternoon frocks and offer a happy variation to the quiet tones which generally prevail. Taupes and greys are promised exception-

Describing a few from the array of silk frocks in the French Room:

al vogue.

In a lovely shade of taupe is a frock of satin charmeuse, made with a pleated and draped skirt, falling in soft folds. The bodice has turned-back lapels trimmed with self-covered buttons, and the Georgette sleeves have deep cuffs of charmeuse, also ornamented with buttons. The collar has a frill of Georgette crepe. Price,

A dress of black satin has a draped bodice, crossing in the back and tying loosely in front. The skirt is pleated and the waist has a shawl collar with overall of white satin. Price, \$35.00.

A fascinating model in dove grey paillette is simply made, relying upon fine braiding for ornamentation. The neck is V-shaped and the sleeves are flaring at the wrist. The skirt is gathered front and back and pleated at the sides, and the frock is trimmed with self-covered buttons.

A lovely gown in satin charmeuse and Georgette crepe is shown in a shade of fawny tan, with a vestee of flesh Georgette crepe. A tunic of charmeuse and Georgette falls over a drop skirt of the former material, and a deep crush girdle of charmeuse is topped by a bodice of Georgette with embroidery in a rarely beautiful shade of old blue and sand. Price,

Steel grey satin charmense is the material in a smart frock fashioned with a slashed and divided tunic, which has a long, loose girdle lined with Chinese blue taffeta. The same material forms a band around the neck and front of the bodice and the cuffs. Price, \$45.00.

In American Beauty satin is a charming dress for informal wear. The bodice and sleeves are adorned with self-covered buttons, and there are a vestee and collar of white Georgette, the latter being bound with white

Very smart is a gown of taupe satin charmense, having a wide belt embroidered in rose and American Beauty shades. The collar is of white satin, and the corded front buttons to a deep vest which extends below the belt. Small self-covered buttons are used for trimming. Price, \$50.00. -Third Floor, James St.
