

# GREAT P. E. ISLAND REMEDIES!

PREPARED BY

WILLIAM R. WATSON,

Of Charlottetown, P. E. Island,

## DRUGGIST.

Having been found, by the experience of years, to possess the remedial qualities claimed for them, are confidently recommended to those suffering from the complaints for relief of which they are respectively intended.

The Proprietor guarantees that they are the *best of their kind ever offered to the public*. Innumerable Certificates of the highest authority might readily be adduced as to the efficiency of each, but the celebrity they have obtained throughout the Island, where they are manufactured and best known, and most extensively used, renders the publication of such Testimonials unnecessary.

## BALSAMIC SYRUP;

AN INVALUABLE REMEDY FOR

Coughs, Colds, Hoarseness, Asthma, Chronic Coughs, Influenza, Difficulty of Breathing, and all Diseases of the Lungs, and Pulmonary Complaints.

This Medicine has the extraordinary property of IMMEDIATELY relieving Coughs, Colds, Hoarseness in the Throat, &c. It operates by dissolving the congealed phlegm, thereby causing a free expectoration.

Those who are troubled with that unpleasant tickling in the throat, which deprives them of rest night after night, by the incessant Cough which it provokes, will, by taking one dose, find immediate relief; and one bottle will, in most cases, effect a cure.

Where a gentle aperient is required, take an occasional dose or two of "WATSON'S DYSPEPSIA BITTERS." They operate without producing those unpleasant and often distressing effects which frequently continue for a day or two after taking powerful medicine.

## DYSPEPSIA BITTERS;

AN INVALUABLE REMEDY FOR

*Dyspepsia, or Indigestion, Jaundice, Bilious Complaints, Bad Breath, Sick Headache, Heartburn, Acid Stomach, Diarrhæa, and all Diseases having their origin in Costiveness, or Bad Digestion.*

These Bitters will be found beneficial in the first stages of Diarrhœas or Dysentery, by taking half a teaspoonful at bed time; but when it fails, "Watson's Diarrhœa Mixture" will be found a perfect remedy.
